TEN CENTS A WEEK

America Is Prosperous and At Peace

The New York Herald's nation wide straw vote shows an unmistakable drift to Wilson. The expression of the most astute political observers of the country on the eve of the national election favors the President.

In an effort to offset the influence of the expression of independent newspapers and the leaders of political thought, word was sent out by the Republican Committee on the eve of election for the party workers in discussing the out look to use an expression something like this.

"The situation seemed desperate ten days ago but in the past week the drift has been strong in our direction and it is growing stronger every hour."

The purpose of this stroke is to influence the doubtful voter, to chill the enthusiasm of Democrats but the fact is that while the nation wide poll did favor Hughes prior to Oct. 15th it has since Oct. 22nd up to and including yesterday been favorable to Wilson. Democrats are united for Wilson and independent thinkers and Republicans in great numbers are openly declaring they will vote for Wilson tomorrow. Let well enough alone. America is prosperous and at peace. Let us keep our country in that happy condition.

LEADERS

Of Two Parties Rest After Labors of Long and Hard Campaign

BOTH CLAIM CONFIDENCE

Justice Hughes Spent Day in Hotel While Pres. Wilson Remained at His Home—Managers Each Claim Majority of 100 Votes in Electoral College.

(ASSOCIATED PRESS TELEGRAM)
New York, Nov. 6.—President Woodrow Wilson and Charles E. Hughes, candidates of the dominant parties for president remained quietly at their homes today recuperating from the labors of the long campaign.

The last word sent forward by them to the people was an expression that each felt confident of victory.

President Wilson planned to remain quietly at home today and his only activity tomorrow will be a trip to Princeton to cast his ballot. Tomorrow night, with only the members of his family about him, he will receive the returns in his study at Shadow Lawn.

Mr. Hughes remained at his hotel early in the forenoon but later visited the national Republican headquarters, chiefly, it was stated, to thank the workers there for their efforts in his behalf. He intended to take a drive through the parks this afternoon and spend the rest of the day quietly at his hotel. Tomorrow he will vote in his home district here and tomorrow night he will get the returns in his hotel rooms. Like Mr. Wilson he plans to have only immediate members of his family with him when the returns come.

Political headquarters here still presented scenes of activity today. Last reports from the political battlefields were received and final instructions sent.

Both the chairmen had little to add to their forecasts issued last night. Republican Chairman Willcox then predicted Hughes would receive at least 100 majority in the electoral college while Democratic Chairman McCormick gave Mr. Wilson 364 votes in that body. The necessary elective vote in the college is 266.

The larger participation of women as voters in a presidential campaign and the congressional elections are of keen interest to politicians generally. The returns from the states in which women will vote, it is admitted will be close, and anxiously scanned. So far as congress is concerned a full house of representatives and 33 United States senators will be elected. The total membership of the house is 435 and the necessary majority is 218. In the senate the present membership is 96 and the necessary majority is 49. In all 35 new senators will take their seats next March. Of these the Republicans elected two at the September election in Maine.

Forty-two of the states will elect state officials tomorrow in addition to national congressional candidates. Of these states 35 will elect governors.

Fair weather and moderate temperature is forecast generally for election day and if this prediction holds true virtually a full vote, it is expected, will be cast throughout the country.

BRITISH U-BOAT FIRES TORPEDOES AT GERMAN SHIP

(ASSOCIATED PRESS TELEGRAM)
London, Nov. 6.—A British submarine in the North sea reports that she fired torpedoes at a German battleship of the Dreadnaught type yesterday making a hit. The damage inflicted is not known, the admiralty announces.

RUNAWAY

Train of Sixty Loaded Coal Cars Crashes Into Four Locomotives

FOUR KILLED; 3 MISSING

Mass of Wrecked Cars and Engines Piled High and Fire Adds Horror to Accident—Train Got Beyond Control of Engineer On Heavy Grade—Fireman Jumped.

(ASSOCIATED PRESS TELEGRAM)
Altoona, Pa., Nov. 6.—Dashing uncontrolled down the ten mile grade of the new Portage branch of the Pennsylvania railroad near Hollidaysburg today, a coal train of 60 cars crashed into four light engines standing near New Portage Junction, with the result that seven railroad men were killed, and two were injured.

The dead:

A. L. Reising, engineman, Berry, Pa.
R. J. Schraum, conductor, Conemaugh, Pa.
Frank Fry, brakeman, Conemaugh.
W. H. Thompson, fireman, East Juniata, Pa.
R. C. Jackson, engineman, Altoona.

J. H. Horton, fireman, Juniata.
W. A. Baker, engineman, died in Altoona hospital.

The train, composed of an engine and 60 cars, was coming down the grade ten miles from the scene of the accident when the engineer lost control. Gaining momentum at every movement, the long train soon attained an unheard of speed, but kept to the rails. Clyde Hall, a flagman and Oliver Baumgardner, brakeman, were in the caboose, but kept their seats and were not hurt, while the fireman leaped from the train at Muleshoe curve and escaped with slight injuries.

The four light engines were standing at New Portage Junction and directly in the path of the onrushing freight. There was nothing to stop the runaway, and before the men on the engines were aware of danger the impact came. Forty-seven of the loaded coal cars followed the engine in its mad plunge, and were reduced to a mass of twisted steel. A few minutes later fire broke out in the coal, and firemen were hurried from neighboring towns.

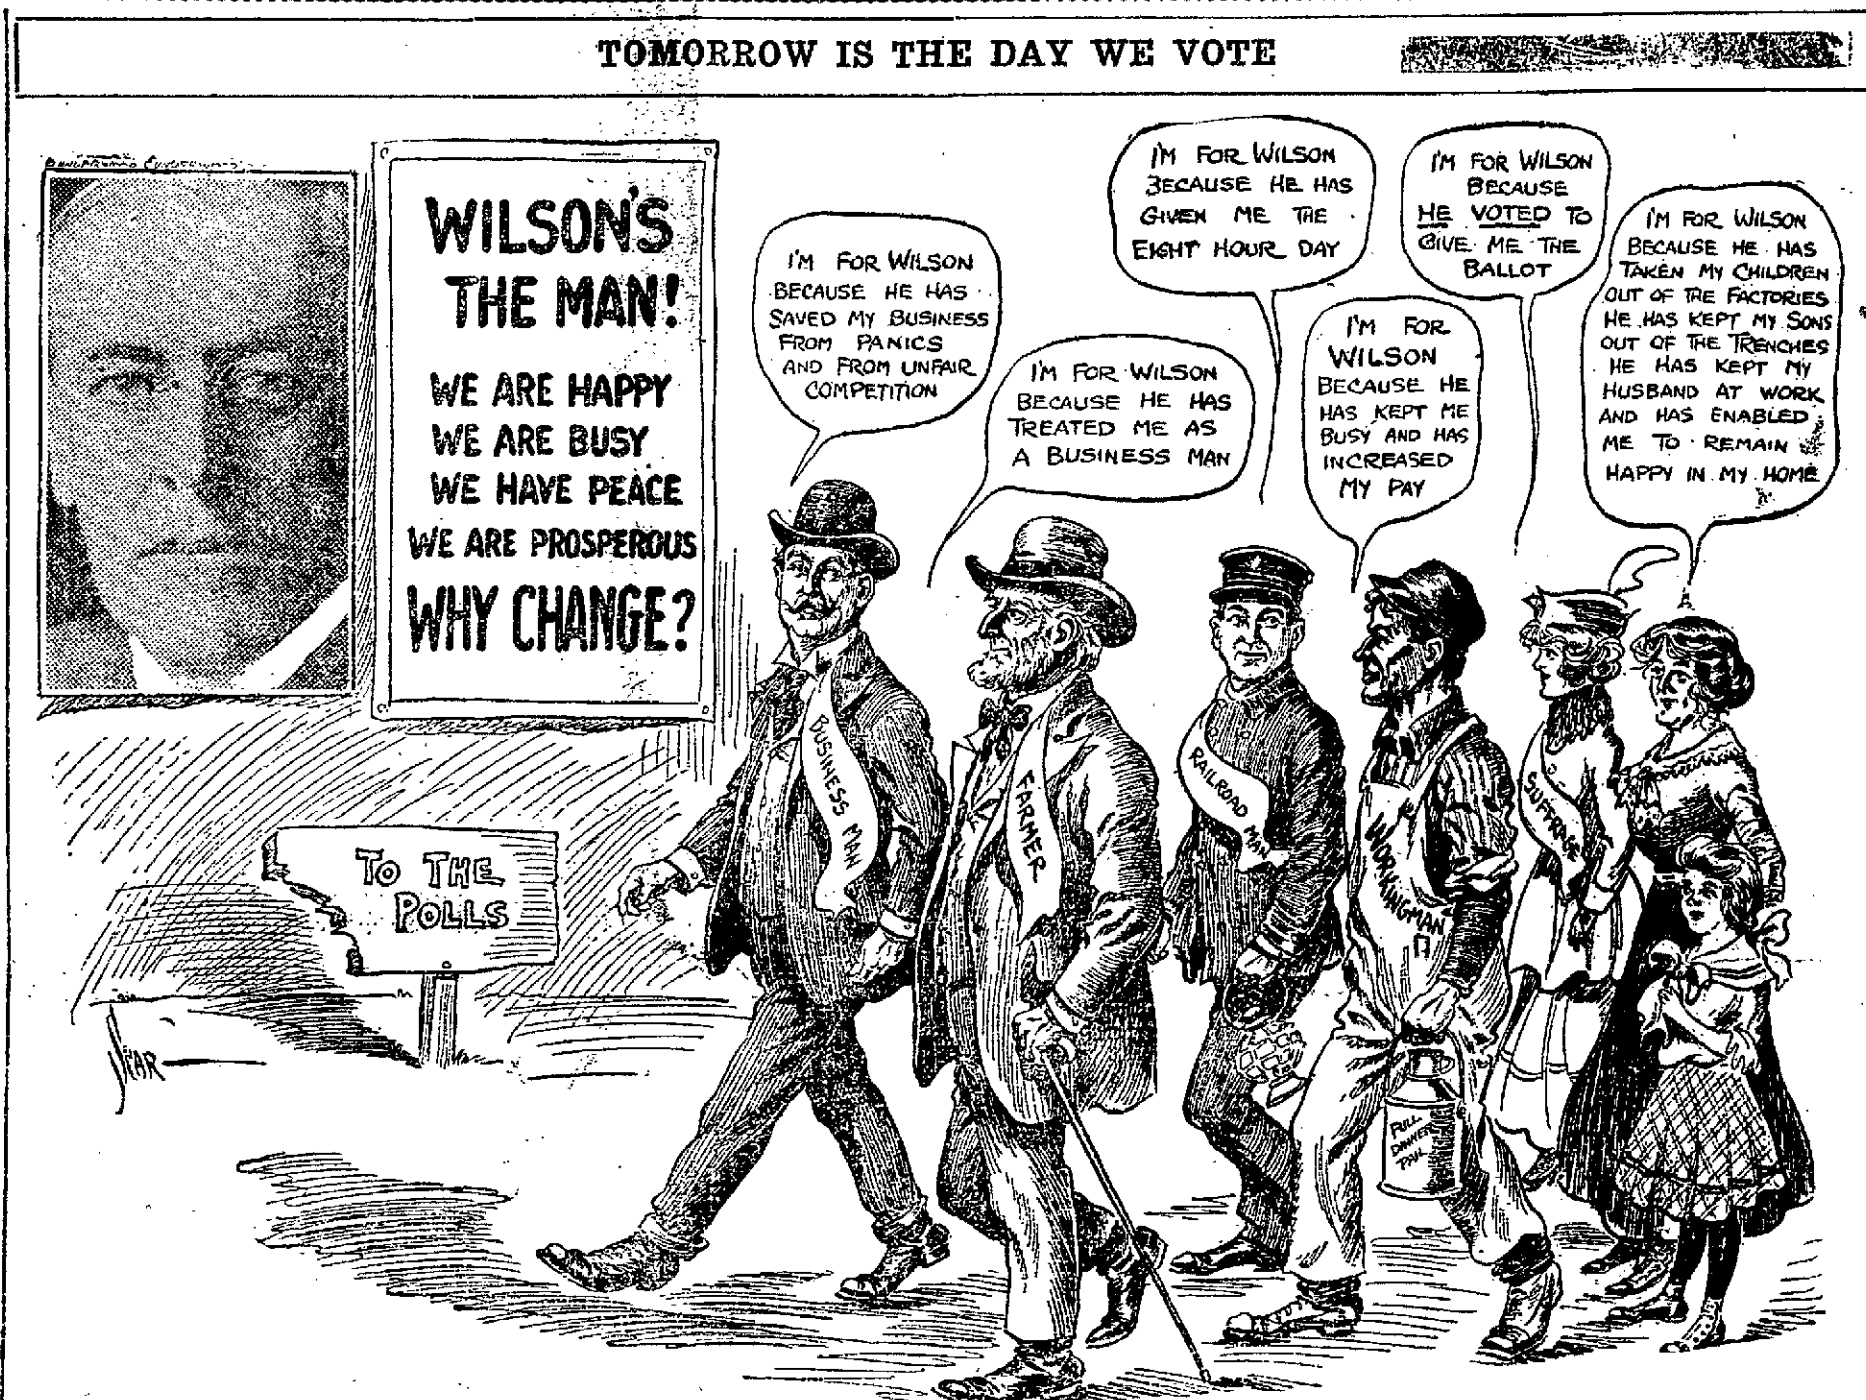

OSBORNE WILL TOUR U. S. FOR PRISON REFORM.

(ASSOCIATED PRESS TELEGRAM)
New York, Nov. 6.—Thomas Mott Osborne, former warden of Sing Sing prison, will make a tour of the United States in a country-wide campaign "for prison reform and the furtherance of a self-government principle in prison management," it was announced today.

The campaign will be under the auspices of national committee of prisoners. Mr. Osborne, it is said, has given assurance that he will go into every state of the Union to explain the systems that have been introduced in Sing Sing and Auburn prisons.

TURNER REPUTATES THE ENDORSEMENT OF GUARDIANS OF LIBERTY.

(ASSOCIATED PRESS TELEGRAM)
Columbus, Nov. 6.—Attorney General Edward C. Turner, in an opinion letter to C. W. Randolph, state recorder of the Guardians of Liberty, repudiates the endorsement of his campaign for re-election by that organization, declaring that he as an attorney general has sworn to uphold the constitution of the state which provides that no religion test shall be required as a qualification for office. The letter concluded: "As is very well known I am a Protestant and have no Catholic connections whatever."

ALLIES LOSE GROUND TAKEN FROM TEUTONS

(ASSOCIATED PRESS TELEGRAM)
London, Nov. 6.—Neither the British or French were able to retain in its entirety the ground won by them from the Germans on the Somme front during Saturday's fighting. Heavy counter attacks were delivered by German troops last night on the new positions in the neighborhood of Butte de Warlencourt on the Albert and Bapaume road and London today announces that the British were compelled to give up portions of them.

Similarly the French lines were attacked and Paris states that while the Germans were held on the line between Sailly-Saillies and St. Pierre Vaast wood, they were able to recapture some positions in the wood and in the village of Sailly just to the north.

After a long interval the resumption of active operations in Dobruja is reported from Bucharest which announces a Rumanian victory. Rumanian troops are declared to have taken the offensive north of Hirsova and driven Field Marshal von Mackensen's troops from several villages which were set on fire as they were evacuated.

Berlin, in a lengthy official statement today regarding the fighting on the Somme front, declared that yesterday's operation consisted of a thrust of the most powerful character by the British and French along a 12 mile front but that it accomplished nothing except a small gain for the French in St. Pierre-Vaast wood. The Germans captured about 400 prisoners and 11 machine guns.

Regarding the fighting on the Rumanian frontier Berlin reports Teutonic gains southwest of Predal, where a height was captured from the Rumanians and southeast of Reichenhurn pass. The Rumanians were repulsed in attacks in the Szurdok pass region and lost a total of more than 450 men in prisoners in the day's fighting.

FORMER AMERICAN STEAMER WAS SUNK BY A SUBMARINE

(ASSOCIATED PRESS TELEGRAM)
London, Nov. 6.—Lloyds announces that the American steamship Lanoa has been sunk by a submarine. Thirty men have been landed at The Lanoa was sunk on October 8, Lloyds reports. The men landed at Barry were brought in by the Norwegian steamship Tromp.

The Lanoa was owned by the Findlay steamship company of Manila. She was a small vessel of 692 tons 190 feet long and 36 feet beam. She was built in 1912 at Bowling, Scotland.

The last report of the movements of the Lanoa was her arrival at Saigon Oct. 9, on a voyage from Saigon, French Cochinchina, whence she departed Aug. 20 for Havre.

The Norwegian steamship Tromp arrived in Barry Roads Saturday.

VESEL WAS SOLD.

(ASSOCIATED PRESS TELEGRAM)
Washington, Nov. 6.—The steamer Lanoa is not an American owned vessel, according to a record of the bureau of navigation of the department of commerce which shows Hans Hansen, of Christiania, Norway, and that she was sold by her American owners on the Philippines last summer.

SUBMARINE BASE MAY BE LOCATED ON GULF COAST

(ASSOCIATED PRESS TELEGRAM)
Washington, Nov. 6.—The American government has informed the de facto government that precautions should be taken to prevent any violation of Mexico's neutrality by operations of belligerent submarines with in its territorial waters or establishment of a submarine base on the Mexican coast. The information as conveyed, a state department official said today in a wholly friendly spirit and not at the suggestion of any of the entente powers.

BIG 4 TO SPEND 15 MILLION ON NEW EQUIPMENT

(ASSOCIATED PRESS TELEGRAM)
Columbus, Nov. 6.—A. H. Smith, president of the New York Central railroad company today informed the Ohio Public Utilities commission that his road intends to spend approximately \$15,000,000 for new equipment next year.

Announcement of the proposed expenditure was made in an application for authority to issue \$12,000,000 of equipment trust certificates, to be sold at not less than 97. The application states that the equipment to be purchased will include 4,000 steel box cars to cost \$5,000,000; 2,000 all-steel coal cars to cost \$4,500,000; ten electric locomotives to cost \$750,000; 100 steel passenger coaches to cost \$2,000,000; 100 steel baggage cars to cost \$1,100,000 and 30 multiple unit cars to cost \$750,000.

SUGGEST CHANGE IN CHARGE FOR CAR DEMURRAGE

(ASSOCIATED PRESS TELEGRAM)
Columbus, Nov. 6.—A radical division of demurrage charges designed to relieve the car shortage was suggested to the state public utilities commission today in an application filed with the commission by A. E. Fillmore, superintendent of car service of the Toledo and Ohio Central railroad company.

Instead of a charge of \$1 a day demurrage on cars, a progressive schedule of rates is proposed as follows: For the first day \$2; for the second day \$3; for the third day \$4 and for the fourth and each succeeding days detention \$5.

The suggested change would apply not only to coal but to all merchandise in carload lots. "It is proposed," says Fillmore, "to prevent the widespread use of car for storage purposes, and to induce the consignees of merchandise in carload lots to promptly unload and release cars in order that they may again be placed in service."

FEAR FREIGHT BLOCKADE IF TRAFFIC HALTS

(ASSOCIATED PRESS TELEGRAM)
Pittsburgh, Nov. 6.—Operating officers of the railroad entering Pittsburgh were all on duty today in an effort to prevent what some of them asserted would become the greatest freight blockade ever known if the long streams of traffic pouring into the district were halted for as much as half an hour. It was said that three thousand loaded cars were moving between Chicago and Pittsburgh on the Pennsylvania north-west system alone and the situation on the southwest system of the Pennsylvania railroad was equally interesting.

Clashes With I. W. W. at Everett, Wash., and Six Men Killed

SHERIFF LED THE POSSE

Ordered I. W. W. Not to Land From River Steamer And a Shot From Boat Was Signal For General Fusillade in Which One Member of Posse Was Killed.

(ASSOCIATED PRESS TELEGRAM)
Seattle, Wn., Nov. 6.—Six men are dead, fifty are suffering today from bullet wounds as the result of a battle yesterday at Everett, Wash., thirty miles north of Seattle, when 250 members of the Industrial Workers of the World attempted to land in that city from the steamer Verona which had carried them from Seattle. The boat was men by Sheriff Donald McRae of Snohomish county, who with a posse forbade the men to land. A shot fired from the Verona, according to the boat's officers, was followed immediately by firing from both sides. The steamer hastened back to Seattle with the dead and wounded. The Seattle police took the dead to the morgue, the wounded to the city hospital and the unwounded to the city jail.

One member of the Everett citizens' posse, C. O. Curtis, formerly second lieutenant in the Washington national guard was killed and 19 others wounded.

Including the wounded, there are 294 men and three women under arrest here. Forty-one men were taken from a second steamer which failed to reach Everett. The women were taken from a motor bus, which had conveyed them from the North-ern boundary of Seattle, where they interurban car.

The fight was a result of a long contest between the Industrial Workers and the citizens of Everett over the right to hold street meetings in that city.

The National guard and naval militia at Everett and in Seattle, are under orders today to meet any emergency.

Sheriff McRae who is suffering from gun shot wounds in the leg, asserted that the first shot was fired by a man in front of the pilot house of the steamer Verona.

Eye witnesses asserted that several men jumped into the water from the boat and that some were drowned, but searchers today were unable to find any bodies, and it was thought that this report was incorrect.

Four of the wounded members of the citizens' posse are in a critical condition today.

Presence of two detectives in the employ of a detective agency on the Verona during the night at Everett was revealed when the local manager of the agency went to police headquarters and obtained their release. They had been locked up with the other men taken from the boat.

One of the men whose name was entered on the police register as Charles F. Smith sustained a slight scalp wound while taking photographs of the men on the boat engaged in shooting at Sheriff McRae's posse. He declared he had obtained photographs showing plainly certain members of the Verona's party shooting at the citizens on shore. Both detectives said they could identify the leaders of the expedition.

After the detectives were released they went into conference with O. T. Webb, prosecuting attorney of Snohomish county, who had been summoned from Everett.

J. Henry Miller Candidate for Ohio State Senate Makes A Statement to the Voters

J. Henry Miller, Democratic candidate for State Senator said today: "If the voters of this district elect me to the important office of State Senator, my sole purpose shall be to serve the highest interests of my whole constituency to the very best of my ability. I am not expecting to make a lime-light record by urging the passage of a multitude of new laws. Greater care should be given those that are already passed to make them really worthy laws. "As to my ability and fitness for the office I shall leave it with my friends to be judge. Inquire of them. What I would say of myself would mean little to you. It may not be possible for every man to make a brilliant record as a legislator, but every man can make an honorable record and this I covet. "In the closing days of the campaign I desire to emphatically reaffirm what I have heretofore said, and that is: THERE HAS NOT BEEN NOR WILL THERE BE ANY TRICKS, TAINTED DEALS OR ROORBACKS PRACTICED BY ME."

J. HENRY MILLER.

LICKING COUNTY MAN KILLED IN RAILROAD YARDS

Clyde Bonham, aged 33 years, telegraph operator, was run down and instantly killed by a cut of cars at Wellington, O., last Wednesday. The accident occurred in the Wellington railroad yards, while Bonham was on his way to his office. His family at Black Hand, O., were notified of the accident and ordered the body shipped to Criss Bros., undertakers, in this city. The body arrived today and was taken to his home. Funeral services will be held Sunday morning at 10 o'clock at the Bonham home in Black Hand. Interment will be made at Hanover cemetery. He is survived by his wife, who lives in Cleveland, his parents, Mr. and Mrs. Lemuel Bonham of Black Hand and one brother, William, at home. Mrs. Bonham was notified of her husband's death and went to Wellington and accompanied the body to Newark.

LET'S MAKE IT UNANIMOUS FOR W. A. ASHBROOK.

A. H. Thompson, one of the most influential and best known citizens of Coshocton county, and a member of the Republican party, had the following letter published in the Coshocton Times-Age this week. The civil war veterans are indignant over the attacks that have been made on Mr. Ashbrook by several of the party organs. Mr. Thompson's letter follows: Let's Make It Unanimous For William A. Ashbrook, November 7. He who has done so much to help supply the need and the hungry at the proper time when all foods and necessities of life are soaring skyward. The veterans' widows who pray for a blessing on him who in their distress came to their rescue as a harbinger of comfort in their old age. Throw politics to the winds and help him who has become the widows' stay. Many widows have told the subscriber: "I only wish I had a vote to cast for Mr. Ashbrook." Mr. Ashbrook has been at a great expense in forwarding the interests of the veterans' widows, who by the thousands from all over the United States are rushing their applications to him. At his own expense he has had five clerks working like beavers, and himself, too, with the exception of a short visit to his family. No matter if Democrat, Republican or Socialist, let us all put our shoulders to the wheel and boost November 7. A. H. THOMPSON, Republican. R. L. Patton for Sheriff will appreciate your vote. 11-3d31*

CHICKENS LOSE LIVES WHEN COOP GOES UP IN SMOKE

Fire of an unknown origin early last evening destroyed a shed used for storage and a chicken coop in the rear of the home of Mrs. Henry Jones, 247 Boylston avenue. Six chickens were reported lost in the flames. The central ladder truck and the east end fire company responded to the alarm. The man who drove the new fire truck to Newark Thursday was at the east end station when the alarm was turned in and made a run to the fire in the new truck. The west end fire company at 12:15 this morning responded to a still alarm to Union street and Burt avenue, where a grass fire was raging in the Ohio canal bed. The fire was extinguished with little trouble.

LAIRD ESCAPES FROM HOSPITAL; STILL AT LARGE

Frank, alias Jeff Laird, committed to the Lima state hospital for the insane from this city, yesterday made his escape and still is at large. According to a phone message received here last night by Chief of Police James Sheridan, Laird made his escape from an attendant while enroute downtown from the institution to purchase a suit of clothes. The local police expect Laird to return to Newark.

NOTICE TO PUBLIC

By Licking County Life Underwriters Association—Be Sure to Read This Warning.

The out-of-town representatives of a Western Life Insurance Company are operating in Newark and Licking County, and grossly misrepresenting their contracts of insurance to the public. Their working slogan seems to be "anything to get the business and get away with it," and they don't live in Licking County and can not be held accountable in the future for their misstatements. Here is a sample of the misstatement: In one specific instance they quoted a whole life rate to a prospective purchaser and represented it to him that the policy would mature in sixteen years. Such a statement as this is absolutely untrue, and had it not been that a local insurance solicitor called upon the same man the out-of-towner would have got the application, and great disappointment would have been in store for the insured in the future, and a straightforward life insurance man would have been discredited. Policeman Aids In Returning Dog to Mr. Lippincott

Frank Lippincott, stage manager at the Auditorium, complained to Chief Sheridan last night that Ed Reed, the man who challenged Paul Bowser, Thursday night, had stolen Lippincott's bull pup and was holding it in a basement of a South Second street business place. The chief refused to take any action in the matter until an affidavit had been filed against Reed. Mr. Lippincott left the patrol station and a short time later met Officer Williams, who accompanied him to the place in Second street. There the police say the dog belonging to Mr. Lippincott was found, but Reed denied he had stolen the dog, saying it was given to him by a man on the street. Later, police say, Reed said he had found the dog on the street and had taken it with him to the place in South Second street. At noon today no affidavit had been filed against Reed.

Pay No Attention to Eleventh Hour Attack On Miller

Editor of The Advocate: J. Henry Miller who is the Democratic candidate for state senator should be triumphantly elected. He is a Licking county product, a college graduate, a forcible speaker, a gentleman of clean habits, honorable to the last degree and always has been. He is a square fighter and as his friends and opponents both know and admit, the resorts to no tricks nor eleventh hour questionable methods, and he is at this time especially requesting his friends to place no reliance in any eleventh hour insinuations being circulated against him. He is standing squarely on his record, which is clean in every respect. A Licking County Friend.

B. & O. Train Record Reflects the Prosperity of the United States

J. M. Davis, vice president of operation, announced today that the B. & O. System handled in freight trains during the month of October 1,205,648 cars, these figures include both loaded and empty equipment. It is a new October record. The daily average movement was 38,892 cars. This is the largest number of cars handled during any October in the history of the road, being reflective of the general prosperity of the country. On the basis of 190 cars to the mile, the cars handled if strung together would reach a distance of 12,000 miles, or about one-half the distance around the earth.

MANAGER FORM OF GOVERNMENT TO BE DISCUSSED.

A number of men of the city have, during the last few months, been quietly agitating the question of submitting the matter of a new form of city government to the citizens. The form at present adopted and successfully employed in the government of Dayton and Springfield, seeming to be the most popular, Mr. Stewart L. Tatum, a prominent lawyer and chairman of the Charter Commission of Springfield, has been invited to address the citizens of Newark on the subject and has accepted the invitation. Thursday evening at 7:30 in the High school auditorium, Mr. Tatum will explain in detail the operation of the City Manager plan of government as Springfield has employed it, what features of improvement have been experienced, its shortcomings and the further improvements that might be made. Mr. Tatum is a pleasing speaker, is considered one of the highest authorities on the subject. This is a matter that should interest every person living in Newark. The tax rate for the coming year is going to be the maximum next month, viz \$1.50 per \$100. There will be no charge for admission and every one is invited to attend this meeting.

"The situation seemed desperate ten days ago but in the past week the drift has been strong in our direction and it is growing stronger every hour."

The purpose of this stroke is to influence the doubtful voter, to chill the enthusiasm of Democrats but the fact is that while the nation wide poll did favor Hughes prior to Oct. 15th it has since Oct. 22nd up to and including yesterday been favorable to Wilson. The train, composed of an engine
and 60 cars, was coming down the
grade ten miles from the scene of the
accident when the engineer lost control.
Gaining momentum at every
movement, the long train soon attained
an unheard of speed, but kept to the rails. Clyde Hall, a flagman,
and Oliver Baumgardner, brakeman,
were in the caboose, but kept their
seats and were not hurt, while the
fireman leaped from the train at
Muleshoe curve and escaped with
slight injuries.

The four light engines were standing
at New Portage Junction and directly
in the path of the onrushing freight.
There was nothing to stop the
runaway, and before the men on the
engines were aware of danger the
impact came. Forty-seven of the
loaded coal cars followed the engine
in its made plunge, and were reduced
to a mass of twisted steel. A few
minutes later fire broke out in the
coal, and firemen were hurried from
neighboring towns.

**OSBORNE WILL
TOUR C. S. FOR
PRISON REFORM.**

(ASSOCIATED PRESS TELEGRAM)
New York, Nov. 6.—Thomas Mott
Osborne, former warden of Sing
Sing prison, will make a tour of the
United States in a country-wide campaign
"for prison reform and the
furtherance of a self-government
principle in prison management," it
was announced today.

The campaign will be under the
auspices of national committee of
prisons. Mr. Osborne, it is said, has
given assurance that he will go into
every state of the Union to explain
the systems that have been introduced
in Sing Sing and Auburn prisons.

**TURNER REPRIMANDS
THE ENDORSEMENT OF
GUARDIANS OF LIBERTY.**

(ASSOCIATED PRESS TELEGRAM)
Columbus, Nov. 6.—Attorney General
Edward C. Turner, in an opinion
letter to C. W. Randolph, state
recorder of the Guardians of Liberty,
reprimands the endorsement of his
campaign for re-election by that organization,
declaring that he as an
attorney general has sworn to uphold
the constitution of the state which
provides that no religion test
shall be required as a qualification
for office. The letter concluded:
"As is very well known I am a
Protestant and have no Catholic connections
whatever."

FIRES TORPEDOES
AT GERMAN SHIP**

(ASSOCIATED PRESS TELEGRAM)
London Nov. 6.—A British submarine
in the North sea reports that she
fired torpedoes at a German battleship
of the Dreadnaught type yesterday
making a hit. The damage inflicted
is not known, the admiralty
announces.

**ALLIES LOSE
GROUND TAKEN
FROM TEUTONS**

(ASSOCIATED PRESS TELEGRAM)
London, Nov. 6.—Neither the
British or French were able to re-
tain in its entirety the ground won
by them from the Germans on the
Somme front during Saturday's
fighting. Heavy counter attacks
were delivered by German troops
last night on the new positions in
the neighborhood of Butte de War-
lencourt on the Albert and Bapaume
road and London today announces
that the British were compelled to
give up portions of them.

Similarly the French lines were
attacked and Paris states that while
the Germans were held on the line
between Sailly-Saillies and St.
Pierre Vaast wood, they were able
to recapture some positions in the
wood and in the village of Sailly
just to the north.

After a long interval the resump-
tion of active operations in Dobrudja
is reported from Bucharest which
announces a Rumanian victory. Ru-
manian troops are declared to have

**FORMER AMERICAN
STEAMER WAS SUNK
BY A SUBMARINE**

(ASSOCIATED PRESS TELEGRAM)
London, Nov. 6.—Lloyds an-
nounces that the American steamship
Lanao has been sunk by a submarine.
Thirty men have been landed at
the Lanao was sunk on October 3.
Lloyds reports. The men landed at
Barry were brought in by the Nor-
wegian steamship Tromp.

The Lanao was owned by the Find-
lay steamship company of Manila.
She was a small vessel of 632 tons
190 feet long and 36 feet beam. She
was built in 1912 at Bowling, Scot-
land.

The last report of the movements
of the Lanao was her arrival at
Sueon Oct. 3, on a voyage from
Sign, French Cochinchina, whence
she departed Aug. 20 for Havre.

The Norwegian steamship Tromp
arrived in Barry Rhoads Saturday.

VESSEL WAS SOLD.
(ASSOCIATED PRESS TELEGRAM)
Washington, Nov. 6.—The steamer
Lanao is not an American owned ves-
sel, according to a record of the
bureau of navigation of the depart-
ment of commerce which shows Hans
Hannevrg, of Christiania, Norway and
that she was sold by her American
owners on the Philippines last sum-
mer.

BURGLES "BORROWS" \$10.
(ASSOCIATED PRESS TELEGRAM)
Toledo Nov. 6.—Alice and Louise
Worthington were bound in their
beds last night by a burglar who
looted their apartment. "Are you
working girls," the burglar asked.
Receiving an affirmative reply, he
left \$2 of the \$12 he had found and
promised to return the \$10. He said
he had just been released from prison
and took this method of borrowing
money.

**SUBMARINE BASE
MAY BE LOCATED
ON GULF COAST**

(ASSOCIATED PRESS TELEGRAM)
Washington, Nov. 6.—The Ameri-
can government has informed the
de-facto government that precautions
should be taken to prevent any vi-
olation of Mexico's neutrality by op-
erations of belligerent submarines
with in its territorial waters or es-
tablishment of a submarine base on
the Mexican coast. The information
as conveyed, a state department of-
ficial said today in a wholly friendly
spirit and not at the suggestion of
any of the entente powers.

Denial was made at the depart-
ment that any protest had been sub-
mitted to Mexico City for Sir Cecil
Spring-Rice, the British ambassador
here.

**BIG 4 TO SPEND
15 MILLION ON
NEW EQUIPMENT**

(ASSOCIATED PRESS TELEGRAM)
Columbus, Nov. 6.—A. H. Smith,
president of the New York Central
railroad company today informed
the Ohio Public Utilities commission
that his road intends to spend ap-
proximately \$15,000,000 for new
equipment next year.

Announcement of the proposed ex-
penditure was made in an applica-
tion for authority to issue \$12,000,000
of equipment trust certificates,
to be sold at not less than 97. The
application states that the equipment
to be purchased will include 4,000
steel box cars to cost \$5,000,000;
3,000 all-steel coal cars to cost \$4,500,000;
ten electric locomotives to
cost \$750,000; 100 steel passenger
coaches to cost \$2,000,000; 100
steel baggage cars to cost \$1,000,000
and 30 multiple unit cars to cost
\$750,000.

**SUGGEST CHANGE
IN CHARGE FOR
CAR DEMURRAGE**

(ASSOCIATED PRESS TELEGRAM)
Columbus, Nov. 6.—A radical di-
vision of demurrage charges designed
to relieve the car shortage was
suggested to the state public utilities
commission today in an application
filed with the commission by A. E.
Fillmore, superintendent of car ser-
vice of the Toledo and Ohio Central
railroad company.

Instead of a charge of \$1 a day de-
murrage on cars, a progressive
schedule of rates is proposed as fol-
lows: For the first day \$2; for the
second day \$3; for the third day \$4
and for the fourth and each succeed-
ing days detention \$5.

The suggested change would ap-
ply not only to coal but to all mer-
chandise in carload lots. "It is pro-
posed," says Fillmore, "to prevent
the widespread use of car for storage
purposes, and to induce the con-
signees of merchandise in carload
lots to promptly unload and release
cars in order that they may again be
placed in service."

**FEAR FREIGHT
BLOCKADE IF
TRAFFIC HALTS**

(ASSOCIATED PRESS TELEGRAM)
Pittsburgh, Nov. 6.—Operating
officers of the railroad entering
Pittsburgh were all on duty today
in an effort to prevent what some of
them asserted would become the
greatest freight blockade ever
known if the long streams of traffic
pouring into the district were halted
for as much as half an hour. It
was said that three thousand loaded
cars were moving between Chicago
and Pittsburgh on the Pennsylvania
northwest system alone and the sit-
uation on the southwest system of
the Pennsylvania railroad was equally
interesting.

Every precaution known to mod-
ern railroading, it was asserted, had
been taken and barring such possible
eventualities as heavy fogs in the
valleys or a sudden drop in temper-
ature, there would be no stoppage.
In the Pittsburgh district proper,
freight offerings have been so heavy
that every engine and car obtainable
has been pressed into service.

**Clashes With I. W. W. at

Men Killed**

SHERIFF LED THE POSSE

Ordered I. W. W. Not to
Land From River Steamer
And a Shot From Boat
Was Signal For General
Fusillade in Which One
Member of Posse Was
Killed.

(ASSOCIATED PRESS TELEGRAM)
Seattle, Wn., Nov. 6.—Six men
are dead, fifty are suffering today
from bullet wounds as the result of
a battle yesterday at Everett, Wash.,
thirty miles north of Seattle, when
250 members of the Industrial
Workers of the World attempted to
land in that city from the steamer
Verona which had carried them from
Seattle. The boat was men by Sher-
iff Donald McRae of Snohomish
county, who with a posse forbade
the men to land. A shot fired from
the Verona, according to the boat's
officers, was followed immediately
by firing from both sides. The
steamer hastened back to Seattle
with the dead and wounded. The
Seattle police took the dead to the
morgue, the wounded to the city
hospital and the unwounded to the
city jail.

One member of the Everett citi-
zens' posse, C. O. Curtis, formerly
second lieutenant in the Washington
national guard was killed and 19
others wounded.

Including the wounded, there are
294 men and three women under
arrest here. Forty-one men were
taken from a second steamer which
failed to reach Everett. The women
were taken from a motor bus, which
had conveyed them from the North-
ern boundary of Seattle, where they
interurban car.

The fight was a result of a long
contest between the Industrial
Workers and the citizens of Everett
over the right to hold street meet-
ings in that city.

The National guard and naval
militia at Everett and in Seattle, are
under orders today to meet any
emergency.

Sheriff McRae who is suffering
from gun shot wounds in the leg, as-
serted that the first shot was fired
by a man in front of the pilot house
of the steamer Verona.

Eye witnesses asserted that sev-
eral men jumped into the water from
the boat and that some were drown-
ed, but searchers today were unable
to find any bodies, and it was
thought that this report was incor-
rect.

Four of the wounded members of
the citizens' posse are in a critical
condition today.

Presence of two detectives in the
employ of a detective agency on the
Verona during the night at Everett
was revealed when the local man-
ager of the agency went to police head-
quarters and obtained their release.
They had been locked up with the
other men taken from the boat.

One of the men whose name was
entered on the police register as
Charles F. Smith sustained a slight
scalp wound while taking photo-
graphs of the men on the boat en-
gaged in shooting at Sheriff Mc-
Rae's posse. He declared he had ob-
tained photographs showing plainly
certain members of the Verona's
party shooting at the citizens on
shore. Both detectives said they
could identify the leaders of the ex-
pedition.

After the detectives were released
they went into conference with O. T.
Webb, prosecuting attorney of Sno-
homish county, who had been sum-
moned from Everett.

ROBBINS HUNTER, PROBATE JUDGE

Editor of The Advocate:

Occasionally there arises in time of need a man of just the right judicial caliber for an office of responsibility.

When Newark shook off the dust of dishonor and began to demand clean men in clean offices a committee of citizens waited upon Gov. Harmon and asked him to appoint Robbins Hunter as probate judge to fill out an unexpired term of Judge Brister. This complimentary appointment the judge's enemies have used as a so-called third term weapon against him.

Why was he called upon for the honor of this appointment? Why was he elected when the next election took place? Why did he receive this Democratic nomination?

Because he has that rare judicial viewpoint so vitally necessary in the probate court. Because he is young enough to not quite forget the boyhood he is called upon each day to protect. Because he is old enough to have the decision of sympathy that makes up the perfect balance of a man and a judge.

Voters of Newark stand by a clean man when you have him in office.

POLAND

Re-established by Proclamation of Kaiser Wilhelm and Emperor Francis Joseph.

Regent is Asked by Civilians to Rule Country Until After War—Army is Called.

(ASSOCIATED PRESS TELEGRAM)

Warsaw, Sunday, Nov. 5, via Berlin, Nov. 5 and London, Nov. 6, 10:25 A. M.—The manifesto of Emperor William and Emperor Francis Joseph again calling into existence the ancient kingdom of Poland was read at noon today to the assembled Polish representatives in the royal palace by Governor General von Beseler.

Outside in the great square before the castle and in the spacious courtyard of the venerable fourteenth century pile, inhabitants of the old Polish capital gathered into thousands to attend the ceremony of what is described as the re-birth of the nation.

Quickest to realize the significance of the day are the academic youth of the country, students of the University of Warsaw, the polytechnic school and other higher institutions of learning who attended the ceremony in corporate units.

This afternoon they are leading parades and demonstrations through streets bright with red flags. There are volunteers by the hundreds for the Polish army which the manifesto announced will be called into existence.

The ceremony was short and simple. Precisely at noon, General von Beseler, wearing the decorations granted for the reduction of Antwerp and the Polish fortresses, mounted the dais in the gala hall room of the old Jagellonian castle and in the name of Germany's sovereign read the imperial manifesto. When he ceased the Polish Count Hutten-Czapski, the palace commandant, read from a leather bound pamphlet to the Polish notables a translation of the manifesto in the native language.

Then came cheers from the hitherto silent crowds; cheers for Poland, Emperor William, Emperor Francis

Joseph, for Germany and the Germans, and for Gen. von Beseler.

President Brudzinski of the recently elected city council, who is rector of the University of Warsaw advanced to the dais and in the Polish tongue gave thanks for the imperial decree. He asserted the determination of the Poles would be found worthy of the liberties conferred and asked that as the first step toward the formation of the government a regent be appointed for the kingdom, since the time was not ripe for the nomination of the predatory sovereign promised in the manifesto. President Brudzinski who was in plain civilian attire without decorations, seemed to represent the spirit not of the ancient Poland and the Polish chivalry but of the modern intellectual Poland.

Gen. von Beseler replied that in the midst of the world war had come the moment of fulfillment of the long cherished Polish wish for re-establishment of the Polish kingdom.

"Doubts as to the future," he said, "can find no place in Polish hearts. It will be our task shoulder to shoulder with the residents of Poland to carry the war to a victorious conclusion and to heal the wounds of the war. We hope that soon a Polish army will be fighting on our side in token of the sentiment for development of the new kingdom. All all good fortune attend the kingdom of Poland."

A band in an adjoining gallery struck up the strains of the national anthem and after a few bars were played the Poles burst spontaneously into the strains which recite the ancient histories, the fallen fortunes and the undying hopes of Poland.

Twenty minutes saw the end of the ceremony and the participants excitedly discussing the future, slowly made their way from the palace through the crowded court yard into the throng outside.

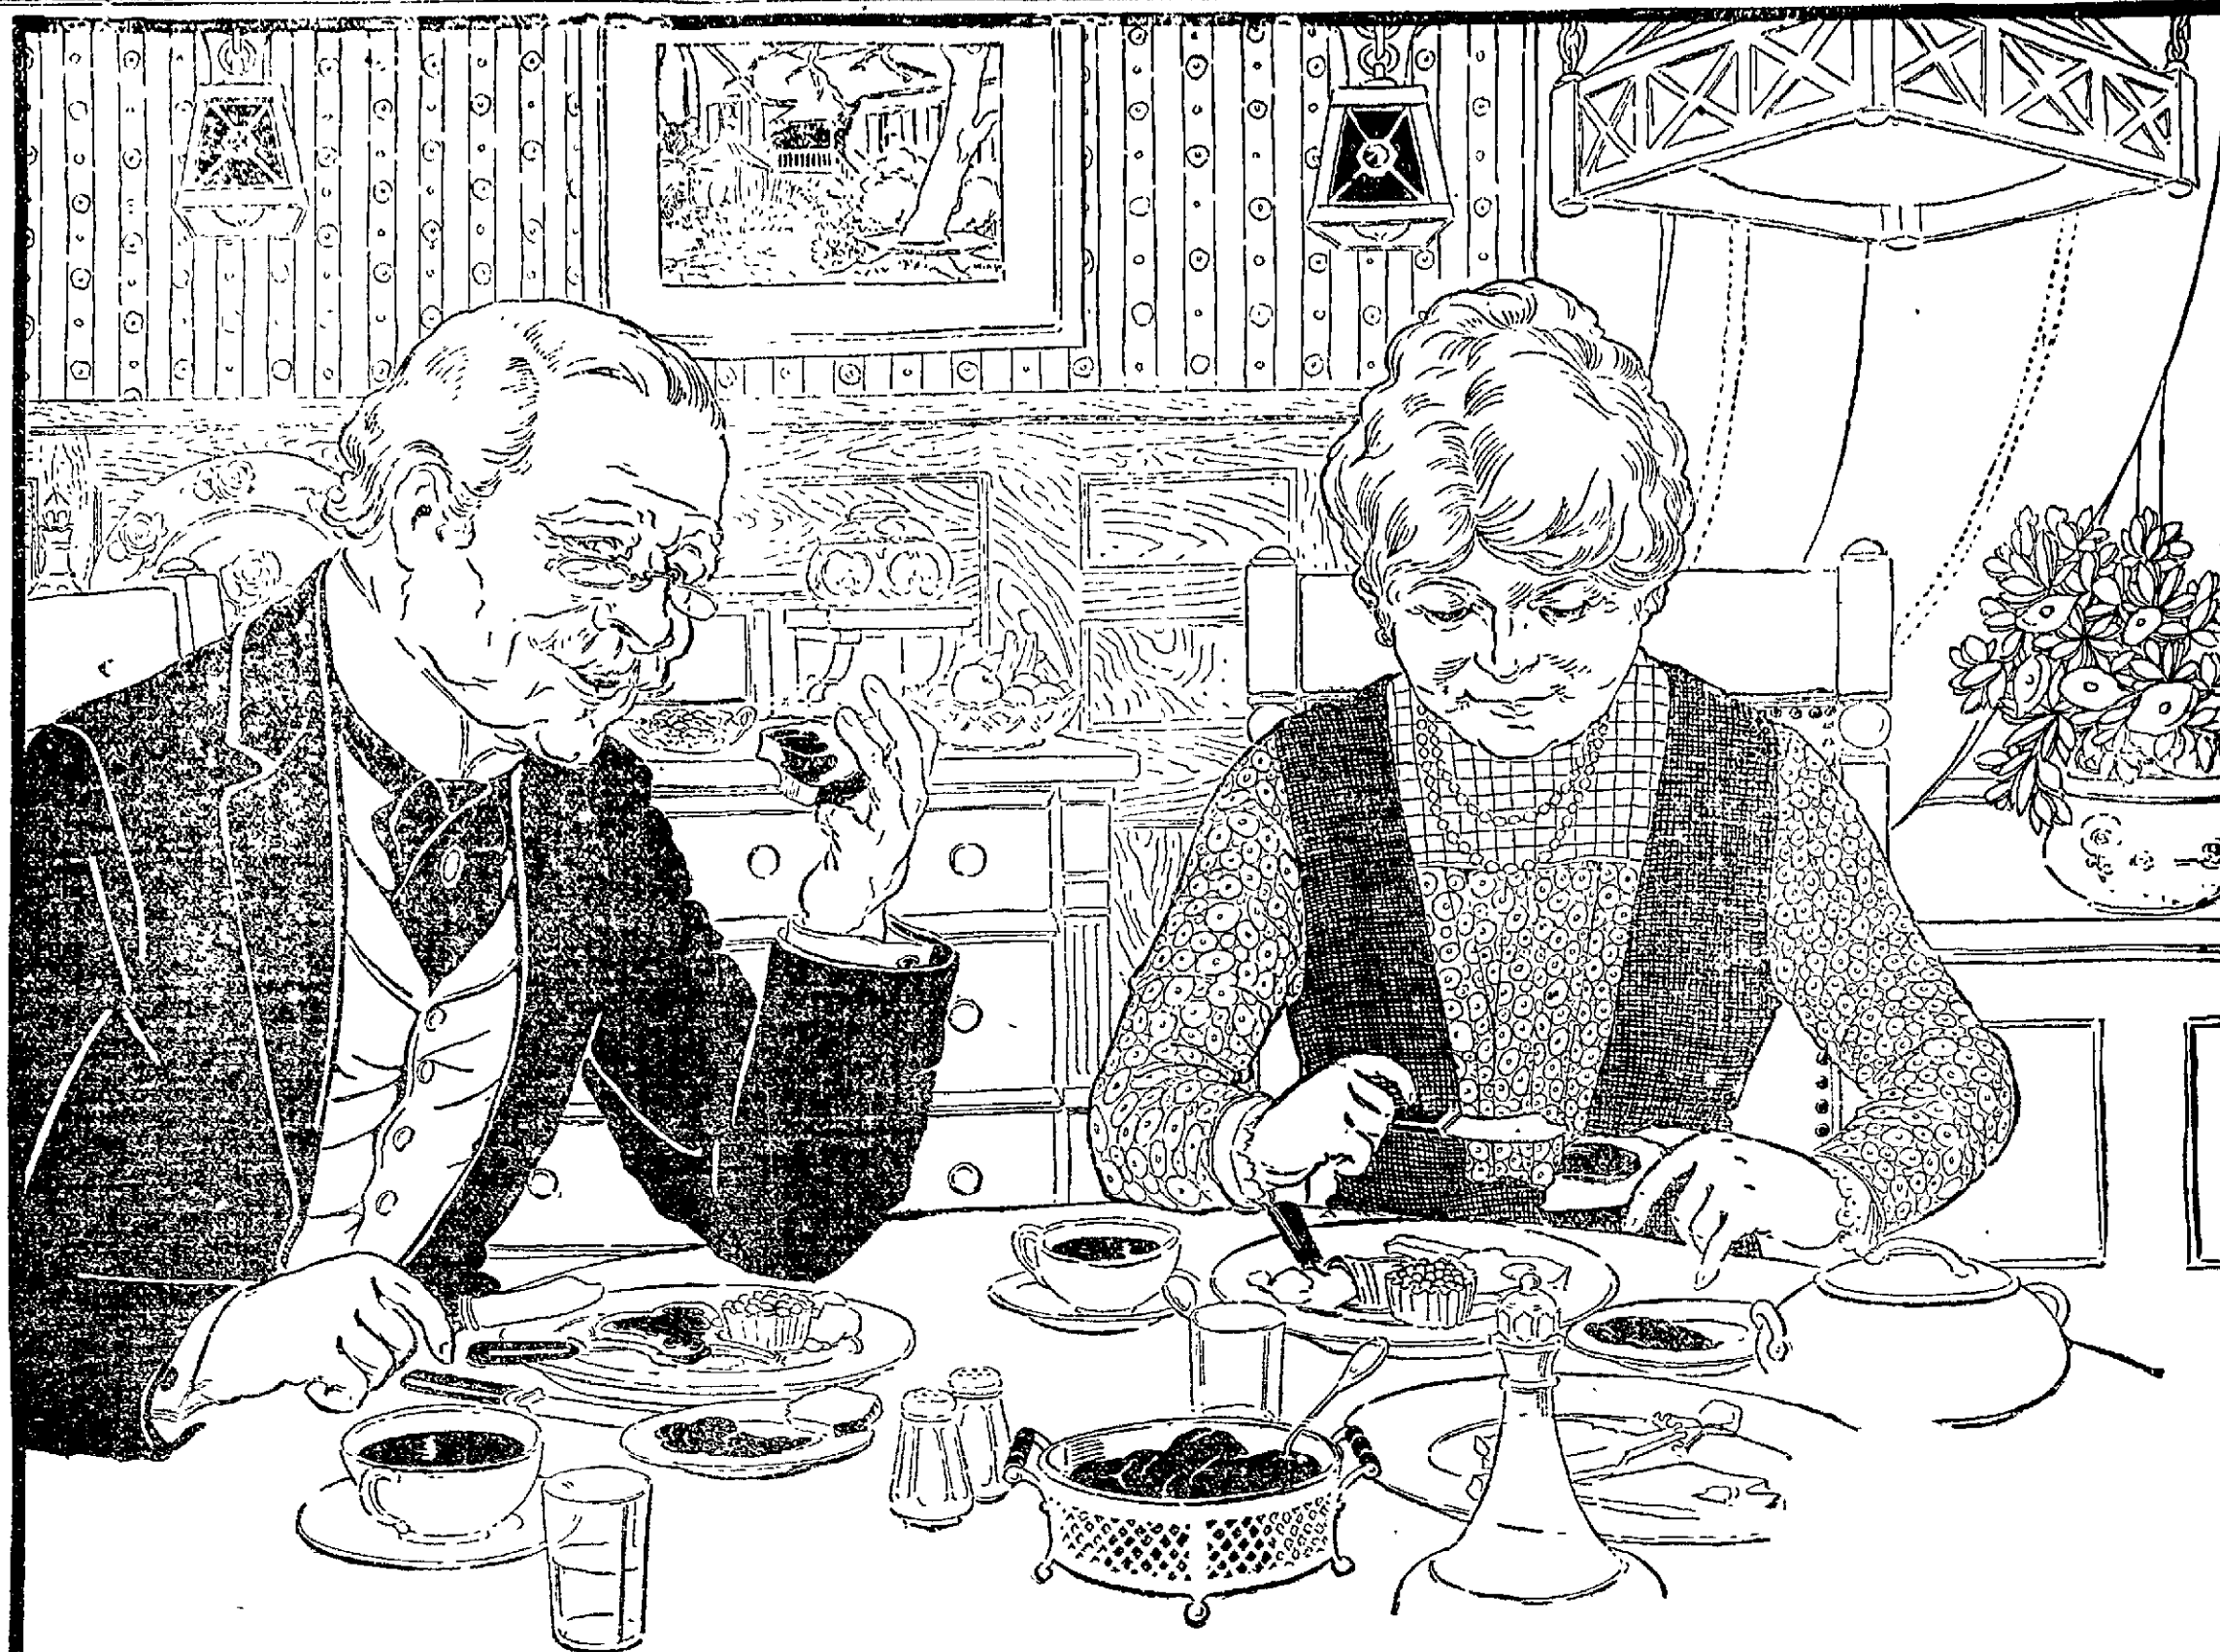

Granville

(Special to Advocate.)

Granville, O., Nov. 6.—Never before, possibly in the history of Denison athletics has the home team been accompanied abroad by so large a number of enthusiastic rooters as was the case Saturday. Everyone who could do so, went forth by steam, electric and motor cars to contribute his or her quota to the "joyful noise" expected at the big game in Dayton, between Denison and Miami. The Dayton papers spoke particularly of the "Denison pep," bestowing the palm upon the Denison rooting and the Denison Band as being superior to that of her opponents. Upward of 7,000 people witnessed the game which was exciting throughout, with vigorous supporters of each team. The Sunday papers told of the scoreless tie and "how it was done." Following the game, over two hundred loyal alumni and friends of Denison banqueted at the Rike-Krummelt where "pep" of a different sort was in evidence. Judge B. F. McCann served as toast master and called upon "Knocky" Rupp to tell "How He Did It." The response being given in a telling five minute speech. Coach Livingston responded in an earnest, straightforward manner, commending the team and thanking the friends for their loyal support, and President C. W. Chamberlain as enthusiastic a fan as any present, gave a splendid talk, interesting alike to students and alumni. Dr. Fred Barker moved that a message of good will and congratulations be sent to the Miami headquarters and that Nelson Rupp be delegated to the office of messenger. Most of the Denison contingent returned Saturday night, some of them yesterday and a few this morning. Among the guests at the banquet were noted Mr. and Mrs. E. Robert Little who had just returned from their wedding tour en route to their home in Detroit.

Mrs. Edith Stone went to Duncan Falls, Saturday to visit for a few days.

Prof. T. S. Johnson, treasurer of the Denison Athletic Association, and Mrs. Johnson, who were among the Dayton visitors on Saturday and

"Just like the old home apple butter!"

The old home apple butter taste! What memories it recalls to these two old folks! Memories of the vine-covered old homestead, with its moss-covered stone well, and its sweet-scented apple orchard, laden in fall with big, luscious, rosy-cheeked apples.

The old home apple butter! Rich and golden-brown, was anything ever so delectable, so wholly palate-pleasing? It was the ambrosia of the autumn.

The old home apple butter! How often have you just "hankered" for its rare goodness? How many times have modern apple butters disappointed you when you sought it? The minute you taste Lippincott Apple Butter you'll realize you have found the old home taste at last. And no wonder! Just consider how Lippincott Apple Butter is made—

We follow a famous recipe used on an old New England homestead for over fifty years. We use nothing

but the choicest and tarest of apples, the most fragrant of spices, and the purest of white granulated sugar.

And we make it in a bright, spotless factory-kitchen where those good old-fashioned standards of honesty and purity prevail, amid clean, wholesome surroundings, by clean, wholesome people.

Suffered Great Pain!

Letter Tells of Long Looked-for Prescription.

Dear Mr. Editor—I am making a personal appeal to your readers who are bothered with kidney and bladder trouble and rheumatism, to give up the use of harsh salts, or alcoholic kidney medicines and in their place take Dr. Pierce's Favorite Prescription. I am convinced of its wonderful virtues as I was. I suffered great pain, had a great deal of irritation, water became foul. I tried everything advised but with no results. I sent for a box of "Annie Tablets" and soon discovered that they brought relief. I have used them since, and now the water is natural, my health good, and appetite splendid. Some of the doctors pronounced my trouble incurable and told me I have no more trouble and I most assuredly feel that this latest discovery of Dr. Pierce's is the best remedy for bladder and kidney troubles that I know of. If I can induce anyone to give it a trial, I feel that he will thank me for calling attention to this great boon that relieves this seemingly worst of all troubles that human flesh can fall heir to.

(Signed) H. H. FLEISHER.

Note: Up to this time, "Annie" has not been on sale to the public, but by the persuasion of many patients and the increased demand for this wonderful healing tablet, Doctor Pierce has finally decided to put it into the drug stores of this country within immediate reach of all sufferers.

Simply ask for Doctor Pierce's Annie Tablets. There can be no imitation. Every package of "Annie" is sure to be Dr. Pierce's. You will find the signature on the package just as you do on Dr. Pierce's Favorite Prescription, the ever-famous friend to ailing women, and Dr. Pierce's Golden Medical Discovery, proven by years to be the greatest general tonic and restorer for any one.

At any rate don't give up hope of being cured of your malady until just a few doses of "Annie" have proven that it will make you feel like a different person.

Editor—Please insert this letter in some conspicuous place in your paper.

Sunday, were guests of Mr. and Mrs. Ellis P. Legler during their sojourn there.

Dr. H. R. Hundley and sons accompanied Mr. H. V. Denison in his touring car to Dayton Saturday, returning that night after the banquet.

Miss Alice May George, president of the active chapter of Kappa Phi sorority, was toastmistress at the luncheon given at the Phillips House in Dayton, Saturday, preceding the Denison-Miami game. A large number of active and alumnae members were in attendance.

Mrs. Stella Sukesdorf of California, a daughter of the late Dr. William Hancock of the Granville Water Cure fame, is the guest of Mrs. Richard S. Colwell for a few days, and will visit Mrs. Charles B. White on Mt. Parnassus. Mrs. Sukesdorf gives many delightful reminiscences of the Granville of an earlier day.

Mrs. Sarah Meyers was called to Canton Saturday by the sudden serious illness of her eldest son, Elmer G., an eminent physician and surgeon of that place. Before she reached him, however, he had breathed his last. No details have been received concerning his illness, nor of the funeral arrangements. Dr. Meyers, who was a Granville boy, has many friends in this community who will sympathize with those who survive: his wife, his mother, and two brothers, Arthur of Pittsburgh and Roland of California.

Don't forget the "election" supper in the Methodist church parlors, Tuesday evening beginning at 5:30. Engstrom chorus rehearsal this evening in Recital hall at 6:30.

Prof. Everett Johnson will give a miscellaneous program of dramatic readings Wednesday evening, assisted by R. W. Sonie, tenor. Recital hall at 7:45. The public is invited.

Mrs. W. P. Ullman, president of the Women's Music club, is planning to attend the convention of the Ohio federated music clubs in Akron next week.

The all day meeting in the Kings Daughters rooms tomorrow should bring out a big attendance in honor of the day. Every woman in Granville and community is expected at some hour during the day, from 10 a. m. to 5 p. m.

Mr. J. S. Jones, who has been in Toledo on business, will return to Bryn Du this evening.

27 VOTERS WERE REGISTERED UPON BOARD'S ORDER

Twenty-seven voters were given certificates of registration Saturday by the members of the board of elections, at their office in the City Hall building. They were voters who were absent from the city on regular registration days a distance of more than 50 miles. The board of elections is issuing certificates again this afternoon to those absent from the city on registration days and are also issuing transfers to those who have moved since registering. The hours are 12:30 to 5:30 o'clock. The total registration to date is 5,718.

COL. ROOSEVELT SOUGHT ADVICE OF MR. GOMPERS

(Special Telegram.)

New York, Nov. 6.—In a speech before a large labor crowd at the Hippodrome Sunday, Samuel Gompers, president of the American Federation of Labor, said he had been informed that word had been telegraphed by persons interested in the election of Mr. Hughes to many employers of labor urging them to notify their employees that if Mr. Hughes is not elected they will lose their jobs. The efforts of the Republican party to make the tariff a paramount issue in the campaign was attacked by Mr. Gompers who asserted that the creation of a bipartisan tariff commission had removed the tariff from politics. Mr. Gompers also assailed Mr. Hughes for not having voted while on the supreme bench to uphold the Danbury hatters' decision, which robbed one hundred and sixty aged members of the hatters' union in Danbury, Conn., of their homes and life savings. He ridiculed the attempt of the Republican candidate to excuse his acquiescence in this decision.

Col. Roosevelt's criticism of President Wilson's Mexico policy also received attention from Mr. Gompers. "Col. Roosevelt said at Wilkes Barre, Pa., that 'In Mexico President Wilson played second fiddle to Mr. Gompers,'" said the labor leader. "Of course there's truth to it. I did my best to help the president maintain peace with Mexico. Then I met with representatives of the working people of that country." Mr. Gompers cited many instances of Roosevelt having called him in conference during the Colonel's political career. "Only a few months ago," added Mr. Gompers, "he asked me to call at Oyster Bay because he wanted to talk over some matters with me. I wonder whether he thought he was playing second fiddle to me. I was repeatedly asked by the Colonel and by Geo. W. Perkins to advise with him this summer and received from Perkins a speech the Colonel wished me to read before it was delivered."

After charging that if Mr. Hughes had the courage to attack the Adamson eight hour law while it was in congress he could have forced his party associates to defeat it, Mr. Gompers charged that every thought expressed by the Republican nominee in the campaign was a "small

after thought." He said men of labor were forced to choose between Wilson, the friend of all the people and Hughes, the choice of Wall Street. He said he would personally vote for the re-election of President Wilson and "regarded it as a duty of every liberty loving citizen" to do likewise. He maintained that the attitude of Hughes and Roosevelt toward the foreign affairs of the United States forced a conclusion that they would adopt a policy, if put into power that would lead to war.

FELL FROM SEAT OF MOTOR CYCLE WAS UNCONSCIOUS

Mrs. W. G. Freas was badly injured Sunday when she fell from the rear seat of her husband's motor cycle near the Wilson street bridge and sustained cuts about the head. She was rendered unconscious and was taken to the Newark Sanitarium in Criss Brothers ambulance, where her injuries were dressed and she was given medical attention. She was sufficiently recovered Sunday evening to be removed to her home 190 Maholin street.

There are many localities that won't repair their roads in the fall because they are not used so much during the winter, and they won't repair them in the spring or summer, because every one is too busy.

JUDGE SHIELDS ANSWERS M'CREA OF CANTON, O.

(Special to the Advocate.)

Canton, O., Nov. 6.—Regarding the published statement signed by W. A. McCrea of this city, Judge H. S. Shields said today:

"As to my age and having been an applicant for appointment to the federal judgeship and other matters therein, the statement is absolutely false. McCrea was indicted and convicted in Stark county for keeping a disorderly house where intoxicated liquors were unlawfully sold, where gambling was tolerated and for harboring immoral and lewd women. Said judgment of conviction and sentence was afterward affirmed by the court of appeals. The object of this false and malicious attack is obvious."

Judge Shields is a candidate for re-election to his second term on the court of appeals in the Newark district. His name is on the non-partisan ballot.

BUGGY COLLIDES WITH WAGON; MAN INSTANTLY KILLED

Edward Johnson, aged 55, was instantly killed Saturday night at 11:50 o'clock, when he was thrown from a buggy onto the brick paving in West Main street, his neck being broken.

Mr. Johnson resides on Loudon street, two and a half miles west of Andria pike. He came to Newark Saturday evening with two companions, Homer and David Poulton, neighbors residing west of the Johnson farm.

The trio started home shortly before midnight in Mr. Johnson's single buggy. When opposite 348, West Main street the driver endeavored to go between an approaching car and a delivery wagon of the Star grocery, with the result that he collided with the wagon, the buggy being overturned and the three men thrown out. Mr. Johnson's neck was broken and his two companions suffered bodily injuries and cuts, one of them receiving a bad cut over the eye and having a gash cut in his lip.

Criss Brothers' ambulance was called and took the dead man to the morgue where the body was prepared for burial. Sunday the body was taken to the home of Johnson's mother, with whom he resided. He is also survived by his wife and two daughters. His father was buried just four weeks ago.

The funeral took place this afternoon at 2 o'clock from the Johnson home and interment was made in Alexandria cemetery.

Coroner W. L. Jackson viewed the remains Sunday and returned a verdict of accidental death.

CLOSE CAMPAIGN WITH BIG MEETING AT TOLEDO TONIGHT

(Associated Press Telegram)

Toledo, Nov. 6.—Extensive preparations have been made for the windup here tonight of the campaign of James M. Cox, democratic candidate for governor. Vice President Thomas R. Marshall, U. S. Senator Alton Pomerene and Cox will speak. Congressman I. R. Sherwood, candidate for re-election from the ninth district, will preside. Marshall will speak in behalf of President Wilson. Pomerene is expected to speak for both Cox and the president. Cox, it is expected, will reply to charges Governor Willis made against him Saturday night in regard to the workmen's compensation law and the Warren law.

AUTO COLLIDES WITH STREET CAR; WOMAN KILLED.

Cleveland, Nov. 6.—Mrs. Frank Solloway, 42, of Catskill, N. Y., was instantly killed and Harry Fuller, vice-president of a bridge company of New Jersey a relative of Mrs. Solloway, was seriously injured in a collision between Fuller's auto and a street car here late last night.

NEWARK C. OF C. TO JOIN MT. VERNON IN ROAD MATTER

A delegation composed of Messrs E. T. Hollingsworth, F. C. Morrison, W. B. Wilkinson, of the Ohio Light Power company and Manager Geo. A. Mosser of the Chamber of Commerce, will motor to Mt. Vernon Wednesday to attend a noon-day luncheon of the Mt. Vernon Chamber of Commerce.

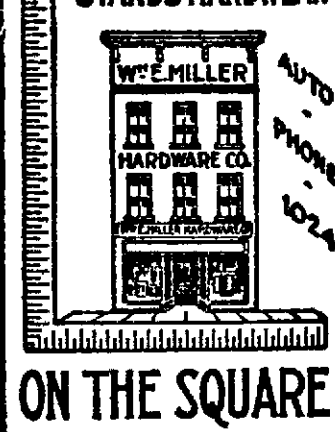

Manager Mosser is slated for an address at the luncheon.

Al. G. Mayer, former manager of the Bell Telephone company at Mt. Vernon, recently resigned his office with the telephone company to accept the secretaryship of the Mt. Vernon C. of C. organization.

This is one of the first trips of this character which will be made by members of the local chamber to establish friendly relations with commercial organizations in the surrounding towns. The Mt. Vernon-Newark road proposition will be one of the important discussions at the luncheon.

ESTABLISHED IN 1820

Entered as Second Class Matter
March 16, 1892, at the postoffice at
Newark, Ohio, under the Act of March
3, 1879.

It is never a good plan to swap
horses while crossing a stream of
water.—Abraham Lincoln.

Eleventh Hour Attack On Shields.

In Saturday's edition of the New-
ark American Tribune and in other
newspapers of this district there ap-
peared a political advertisement over
the name of W. A. McCrea of Canton,
Ohio, said to be the "owner of the
Hotel New Barnett and Importer of
Laces and Embroideries," denounc-
ing Judge R. S. Shields, Democratic
candidate for his second term as
judge of the fifth appellate court in
which this county is elected.

The article is an eleventh hour
roorback and is full of material mis-
statements as to Judge Shields in
that it overstates his age by several
years, falsely states that the judge
was a candidate for the federal judg-
ship for northern Ohio which judg-
ship is still vacant, on account of the
appointment of Judge John H. Clark
to the United States supreme bench
and attempts to make it appear that
Judge Shields is unfriendly to the
temperance cause.

If the persons who read the roor-
back denouncing Judge Shields, one
of the ablest and best jurists in Ohio,
know the record of the man whose
name is signed to the advertisement,
the accusations made would fall by
their own weight. About six months
ago this same W. A. McCrea, who
signs the article, was indicted by
the grand jury of Stark county for
selling liquor contrary to law, for
keeping a gambling place and a place
which harbored lewd women. He
was convicted in the court of com-
mon pleas. He then appealed the
case to the court of appeals of Stark
county and the judgment of conviction
was affirmed by that court.

Judge Shields being one of the three
members of that court, the evidence
clearly showing the defendant's guilt
as charged in the indictment.

Judge Shields' record on the bench,
his untiring industry, judicial fair-
ness and knowledge of the law re-
fute every statement contained in the
McCrea article.

A Splendid Record.

When the Democratic party attained
power in 1913, it faced a position
of peculiar difficulty. Not merely
was there a heritage of unsettled
problems passed on by the republi-
can party. But the party had had no
training in handling the government;
since the times of Grover Cleveland
20 years had been torn for many years
by warring factions. It looked as if
it would be almost impossible to hold
the different elements together. Its
opponents were gleeful in their pre-
dictions of discord and consequent
inaction.

It was soon evident, however, that
there had entered the White House
a man of most extraordinary power.
With superb initiative, he broke
down the conventional barriers that
had separated the White House and
the Capitol. Previous administra-
tions had frittered away precious
years in tedious wrangles with Con-
gress. Every session was hailed as a
"do nothing Congress." Wilson ap-
peared like Roosevelt, never blundered nor
threatened. Unlike Taft, he had a
firm and resolute will.

He united discordant elements on
common grounds of action, he or-
ganized a spirit of team work and he
got things done. It was a great
achievement in political leadership
and in constructive statesmanship.

lieving the farmer from usurious

By these and many other but lit-

The Outlook

James W. Faulkner, probably the
keenest political observer in Ohio,
declares on the eve of the national
election that the trend in Ohio is de-
cidedly in favor of President Wilson.
The New York Herald points out
that in the quarter million straw
votes cast in the pivotal states Wood-
row Wilson leads. The Columbus
Dispatch's state wide poll gives Wil-
son 43,748 and Hughes 29,807 which
leads the Dispatch to predict that
Wilson will carry Ohio by more than
100,000 plurality indicating also the
election of the entire Democratic
state ticket.

The indications are that Wilson
will carry Licking county by the
largest plurality in its history. The
party is united in support of the
president and the vote will be large.
In every precinct well known Republi-
cans will vote for Wilson, many of
them casting a Democratic vote for
the first time in their lives. Their
reason is the splendid achievement
of the Wilson administration coupled
with the fact that America is at
peace and is enjoying the greatest
prosperity ever known.

Myron T. Herrick, the favorite of
the Kings the hero of the reaction-
aries and the keeper of the party
purse, now bids fair to be the worst
discredited candidate on the Republi-
can ticket. The growing expres-
sions of resentment at his attempt
to purchase a seat in the United
States Senate are becoming louder
each day. Disapproval of him and
his methods will be manifested in
an avalanche of ballots against him
and for Senator Pomerene, who has
established a record of efficient
service and loyalty served the people
of Ohio, and stood by the President.

QUICK RELIEF FROM CONSTIPATION

Get Dr. Edwards' Olive Tablets

That is the joyful cry of thousands since Dr. Edwards produced Olive Tablets, the substitute for calomel.

Dr. Edwards, a practicing physician for 17 years and calomel's old-time enemy, discovered the formula for Olive Tablets while treating patients for chronic constipation and torpid livers.

Dr. Edwards' Olive Tablets do not contain calomel, but a healing, soothing vegetable laxative.

No gripping is the "keynote" of these little sugar-coated, olive-colored tablets. They cause the bowels and liver to act normally. They never force them to unnatural action.

If you have a "dark brown mouth" now and then—a bad breath—a dull, tired feeling—sick headache—torpid liver and are constipated, you'll find quick, sure and only pleasant results from one or two little Dr. Edwards' Olive Tablets at bedtime.

Thousands take one or two every night just to keep right. Try them. 10c and 25c per box. All druggists.

daughter Charlotte, Glenn Stowell, Charles Butler, Fred Stowell and daughter Alice, Mrs. May Hall and daughter Audrey, Mrs. Herbert Matson, Mrs. Laura Dickie and sons Ross and Weldon, Mrs. Poff and son Melven of Hasting, Mich.

At their suburban home, Maple Heights, east of the city, Mr. and Mrs. W. F. Dayton entertained informally at dinner, Sunday, Mr. and Mrs. Richard Roberts and son Wilber of Ankenytown and Mr. and Mrs. C. V. Pulke and little daughter of Highland avenue, this city.

Stiles-Harris.

Rev. Edwin Kirby, pastor of the Methodist Episcopal church, at his home on North Seventh street, officiated at the marriage of Miss Leona M. Stiles of Cambridge, and Charles O. Harris of Newark. They were attended by Miss Carrie Brown of Cambridge, and Ray Wilson of Akron, the latter being a cousin of the bride, in the presence of the bride's mother, Mrs. Odessa Stiles. The bride was dressed in a navy blue suit, with black plush trimmings, and she wore a large black hat with gold trimmings. She carried bride's roses. At noon the bridal party was entertained with an elaborate dinner by the bride's mother at her home on North Eighteenth street. Immediately following the ceremony they left the city over the Baltimore and Ohio for an Eastern wedding trip. The bride is very popular among a large circle of friends in this city and is very prominent in Methodist Episcopal church circles. She has been employed with the Bell Telephone company for the past four years as cashier in the local office. Mr. Harris is a son of Mr. and Mrs. Ephraim

Harris of Newark and is foreman of the Arcade barber shop of Newark. Upon their return from their honeymoon they will make a short visit in Cambridge and after November 20 they will be at home to their friends at 269 Elmwood avenue. A host of friends join in hearty congratulations.

Mrs. C. B. Keller entertained the Harmonious Embroidery club Tuesday of last week at her home in Tenth street.

One new member was added to the roll.

Luncheon was served, the table being centered with beautiful chrysanthemums.

Mrs. Otto Karney assisted the hostess in serving the members and four guests, Mrs. F. C. McClarnan, Mrs. Eichorn, Mrs. C. B. Warden and Mrs. C. V. Foster.

The club will meet November 14 at the home of Mrs. L. H. Fleming.

Koebler-Thacker.

Rev. A. B. Cox, pastor of the East Main street U. B. solemnized the marriage of Miss Violet Thacker and Mr. Karl Koebler on Saturday afternoon at 3 o'clock at the parsonage of the church. Both Mr. Koebler and his bride were from New Lexington and will make their home in that city.

The members of the Evening Euchre club will be entertained on Wednesday at the home of Miss Mame Heipley in West Church street.

ARMY OFFICERS

INSPECT BRIDGES

ON OHIO RIVER.

(ASSOCIATED PRESS TELEGRAM)

Pittsburgh, Nov. 6.—Thirty army officers, students in the engineers school at Washington, D. C., were here today under command of Major Gustav Lukesh to inspect the bridges spanning the Monongahela, Allegheny and Ohio rivers in Pittsburgh and vicinity. They also made a trip in a government launch to Rice's Landing on the Monongahela river and later in the day will leave for Steubenville, O., to inspect the dams along the Ohio river. It was stated that the engineers were brought here primarily to learn the reasons why the army engineers have ordered the raising of all bridges over the Allegheny river in Pittsburgh.

VOCALIST SINGS IN COMPARISON WITH PHONOGRAPH

Undoubtedly a large audience will assemble in the high school auditorium this evening to hear the concert given by Miss Maris Kaiser, soprano, assisted by Mr. Philip Scheib, violinist. The concert will be unique in that it is a demonstration of the truthfulness with which the human voice can be reproduced by a talking machine. The Edison machine will be used in the demonstration Miss Kaiser singing the numbers, which will be a re-creation of the records.

The concert will begin at 8 o'clock and the following program has been arranged:

- (a) Poor Wandering One . . . Sullivan
- "From Pirates of Penzance"
- (b) Long, Long Ago . . . Rayley
- Miss Kaiser, with the Laboratory Re-Creation of her voice.
- (a) Ave Maria . . . Schubert Wilhelmj

SOMETHING NEW IN WALKING SUITS

To prove that there is something new under the sun, fashion experts have modeled a new snappy walking suit with what they call "boom-erang" pockets. The model is made of Burgundy velvet trimmed with beaver fur, and is belted at a slightly raised waist line. The cut of the suit was made with the idea of appealing to the younger set, but experts now say this style will be worn generally this winter.

GERMAN U-BOATS ATTACK SHIPPING IN NEW FIELD.

London, Nov. 6.—German submarines have been active for some weeks off the Spanish coast where the steamship Lanac apparently was sunk. One submarine commander was credited with the statement that he had received orders to sink all vessels bound for England. Spanish vessels, it is said, later exempted on undertaking to carry nothing but fruit.

TONE UP YOUR STOMACH

There is no tonic for the stomach that is not a tonic for every other part of the body. But the stomach depends, as does every other organ, on the blood for its energy.

There can be no perfect digestion without rich, red blood. This is scientifically true. The way then to tone up the stomach is to enrich the blood.

If your digestion is off and your blood is thin there can be no question about it. You need Dr. Williams' Pink Pills to restore the condition of your blood, use care in the selection of your diet and the stomach trouble will take care of itself.

Stomach trouble is debilitating. Dr. Williams' Pink Pills are a tonic and build up the weakened system generally.

Most stomach remedies try to digest your food for you. How much better it is to tone up the stomach so that it will do its own work as nature intended. There is no pleasure in eating pre-digested food. Tone up your stomach and your appetite and digestion will soon be normal.

A diet book will be sent free on request by the Dr. Williams Medicine Co., Schenectady, N. Y. Your own druggist sells Dr. Williams' Pink Pills or a box will be sent by mail, postpaid, on receipt of fifty cents.

HIGH PRICES OF FOODSTUFFS KILL BOARDING HOUSES.

Pittsburgh, Nov. 6.—High cost of eggs, butter, meats, potatoes, and other foods has driven a great number of boarding houses in this city, including some of the largest and more exclusive, out of business within the last few days, and announcement was made today that probably a dozen more will follow suit this week.

"It is impossible to continue in business, even with an increase in the price of meal tickets," one proprietor said. "If we charged more, there will be little or no profit and so we are going to close." Others made similar statements.

But the borders side of the case was stated thus:

"Pittsburgh is prosperous but we cannot eat war contracts and announcements of big dividends. We have got to have food at prices we can afford."

All restaurants have increased the price of pie from five to ten cents a cut.

Glass of Hot Water Before Breakfast a Splendid Habit

Open sluices of the system each morning and wash away the poisonous, stagnant matter.

Those of us who are accustomed to feel dull and heavy when we arise, splitting headache, stuffy from a cold, foul tongue, nasty breath, acid stomach, lame back, can, instead, both look and feel as fresh as a daisy always by washing the poisons and toxins from the body with phosphated hot water each morning.

We should drink, before breakfast, a glass of real hot water with a teaspoonful of limestone phosphate in it to flush from the stomach, liver, kidneys and ten yards of bowels the previous day's indigestible waste, sour bile and poisonous toxins; thus cleansing, sweetening and purifying the entire alimentary tract before putting more food into the stomach.

The action of limestone phosphate and hot water on an empty stomach is wonderfully invigorating. It cleans out all the sour fermentations, gases, waste and acidity and gives one a splendid appetite for breakfast and it is said to be but a little while until the roses begin to appear in the cheeks. A quarter pound of limestone phosphate will cost very little at the drug store, but is sufficient to make anyone who is bothered with biliousness, constipation, stomach trouble or rheumatism a real enthusiast on the subject of internal sanitation. Try it and you are assured that you will look better and feel better in every way shortly.

QUIT MEAT WHEN KIDNEYS BOTHER

Take a glass of Salts before breakfast if your Back hurts or Bladder is troubling you.

No man or woman who eats meat regularly can make a mistake by flushing the kidneys occasionally, says a well-known authority. Meat forms uric acid which excites the kidneys, they become over-worked from the strain, get sluggish and fail to filter the waste and poisons from the blood, then we get sick. Nearly all rheumatism, headaches, liver trouble, nervousness, dizziness, sleeplessness and urinary disorders come from sluggish kidneys.

The moment you feel a dull ache in the kidneys or your back hurts or if the urine is cloudy, offensive, full of sediment, irregular of passage or attended by a sensation of scalding, stop eating meat and get about four ounces of Jad Salts from any pharmacy; take a tablespoonful in a glass of water before breakfast and in a few days your kidneys will act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to flush and stimulate the kidneys, also to neutralize the acids in urine so it no longer causes irritation, thus ending bladder weakness.

Jad Salts is expensive and cannot injure; makes a delightful effervescent lithia-water drink which everyone should take now and then to keep the kidneys clean and active and the blood pure, thereby avoiding serious kidney complications.

SAGE TEA DANDY TO DARKEN HAIR

Look years younger! Use the old-time Sage Tea and Sulphur and nobody will know.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a 50-cent bottle of "Wyeth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old, famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray, or becoming faded have a surprise awaiting them, because after one of two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wyeth's Sage and Sulphur tonight and you'll be delighted with your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

NOTICE TO PUBLIC

By Licking County Life Underwriters Association—Be Sure to Heed This Warning.

The out-of-town representatives of a Western Life Insurance Company are operating in Newark and Licking County, and grossly misrepresenting their contracts of insurance to the public. Their working slogan seems to be "anything to get the business and get away with it," and they don't live in Licking County and can not be held accountable in the future for their misstatements.

Here is a sample of the misstatement: In one specific instance they quoted a whole life rate to a prospective purchaser and represented it to him that the policy would mature in sixteen years. Such statement as this is absolutely untrue, and had it not been that a local insurance solicitor called upon the same man the out-of-town would have got the application, and great disappointment would have been in store for the insured in the future, and a straightforward life insurance man would have been discredited.

commitments in the face of a general holiday tomorrow. The size of the visible supply as compared with a year ago tended also to handicap the bulls. Opening prices, which ranged from 1-1/2 to 1c lower, with December at 1.81 to 1.82 1-4c and May at 1.83 1-4 to 1 83 3-4, were followed by decided setbacks interrupted by briefs transient rallies.

The close was strong, 1-1/2 to 2 1-2c net higher, with December at \$1.84 5-8c and May at \$1.86 1-2c.

Corn weakened with wheat. In addition, the market was bearishly affected by reports that wherever possible stock cars and coal cars would be utilized to ship corn. After opening 3-8c to 1-2c lower the market underwent a moderate additional decline.

The close was strong at 1-2c to 5-8c net advance.

On a late wave as a result of depression in other cereals. Commission houses and pit traders nearly all look to the selling side.

Higher prices on hogs lifted provisions. Lard led the advance.

WHY I AM FOR WILSON

By James Kennedy
Former Congressman From McKinley's Old District in Ohio.

It is with great reluctance that I am compelled to abandon the party with which I have been affiliated all my life, but a sense of duty compels me to take the position I have.

I shall vote for Woodrow Wilson for President solely because he recognized fully the fact that the great instruments of interstate commerce should be regulated by the people acting through Congress, and not by a labor union and an association of railroad presidents.

LEE FOHL TO BOSS INDIANS NEXT YEAR

Henry E. Youtsey, who has served sixteen years for complicity in the murder of Democratic Senator William Goebel of Kentucky in 1899, has turned to poetry to dispel the tedium of prison existence. His first volume of poems on prison life will appear shortly. He has always protested his innocence.

The fellow who thinks the militia boys have had a soft and easy time of the border is often the same one who was too fearful of hardship to enlist.

JAS. J. HILL IS FRIEND OF THE PEOPLE

James J. Hill is the Democratic candidate for representative of Licking county in the Ohio Legislature. Mr. Hill is one of the county's best known citizens and is amply well qualified to fill the position to which he aspires. If elected, and he certainly will be, he will work in the interest of the taxpayers and will ever be active in all legislation affecting affairs of county and state.

Mr. Hill has an extensive acquaintance over the state, having

JAMES J. HILL

for a number of years been engaged on the road as a traveling representative of a large manufacturing concern. He has been a deep student of human nature and political economy. He is a friend of the people and will work in their interests at all times. The voters of Licking county will make no mistake in casting their ballots for James J. Hill.

CORRECTION

The voters will not be fooled by the false and misleading statements published in The Advocate of October 21st in which it is claimed that Robbins Hunter is a candidate for second term.

The voters well know that Robbins Hunter made his campaign four years ago solely upon the claim made by him that he was then a candidate for his second term, and upon his personal promise made to leading Democrats that if elected in 1912, he would not again be a candidate.

In 1912 Mr. Hunter published in the newspapers and on cards the following language: "I am NOW a candidate for my SECOND TERM. I was elected by the people and am NOW holding the office by virtue of this election as my FIRST ELECTIVE TERM."

He was that that elected the second time, and his second elective term will expire in February, 1917. How many second terms, in succession, can one man have for the same office? 11-2d4t

FROM DRUMMER BOY TO MAJOR-GENERAL

(Courtesy of National Tribune, Washington, D. C.)

Fifty-three years ago a bright little boy of French parentage, living at Newark, O., followed a regiment off to the front and tagged around with it until at last, to get rid of him, he was made a drummer in the 22d Michigan.

At the battle of Chickamauga he threw away his drum and took a gun. His gallantry and steadfastness attracted the attention of his superior officers and he was promoted to a Sergeant and attached to the headquarters of the Army of the Cumberland, where he served until the end of the war.

General Grant appointed him a second lieutenant in the Regular Army, and his record since then, as

shown by the archives of the War Department, is: Second Lieutenant, 24th U. S., Dec. 18, 1871; First Lieutenant, Oct. 5, 1874; Captain and Assistant Quartermaster, May 4, 1882; Major, May 16, 1895; Lieutenant-Colonel and Deputy Quartermaster-General, Feb. 2, 1901; Colonel and Assistant Quartermaster-General, Aug. 15, 1903; retired, as a Brigadier-General, Aug. 13, 1915; promoted to Major-General, Oct. 30, 1916.

His name by which he is endearingly known throughout the Grand Army of the Republic, of which he is an active member, is Comrade John L. Clem, "The Drummer Boy of Chickamauga."

FLORY FOR PROSECUTOR

CHARLES L. FLORY.

Charles L. Flory, member of the Newark law firm of Flory & Flory, has had fifteen years of active practice and is the Democratic candidate for prosecuting attorney of Licking County. He has never been a candidate for public office.

C. of C., have agreed on the four following issues to be presented at the meeting:

1.—That section 3940, General code of Ohio, be amended so as to read as follows:

Section 3940: Such bonds may be issued for any or all of such purposes, but the total indebtedness created in any one fiscal year by the council of a municipal corporation, under the authority conferred in the preceding section shall not exceed one-half of one per cent of the total value of all property in such municipal corporation, as listed and assessed for taxation.

2.—That 102 Ohio Laws, Page 273, Section 5649-5B after "case" insert as hereinafter specified. After "mills," insert—

"provided however that if the sole purpose of said increased rate, specifically stated in said resolution and approved by a vote of the people as herein provided, shall be the payment of the annual interest or the providing of the annual sinking fund or both accruing on bonds issued by vote of the people after the passage of this act, such an increased rate may be levied annually in addition to the rate limited by Sec. 5649-2 of the General Code, as shall be necessary to produce said amount of annual interest and annual sinking fund or both."

3.—That the Doo tax be diverted to the local communities.

4.—That the direct tax now levied by the State be dispensed with.

REXALLS WIN 20 TO 0; NEWARK WAS OUTWEIGHED

The Columbus Rexalls defeated the Newark Fitzsimmons team Sunday afternoon at Wehrle Park by a score of 20 to 0. The game was marred by the continual wrangling of the Rexalls over Referee Russell's decisions. The Rexall team, supposedly a 140-pound team, in reality belongs to the 150-pound class, and easily outweighed the local team 10 to 15 pounds to the man. The Columbus team scored its first two touchdowns on flukes, an intercepted forward pass and a fumble. The third touchdown came when Newark fumbled in the middle of the field. A 15-yard penalty for holding a completed forward pass for 20 yards and a series of line plunges took the ball over for Columbus' only earned touchdown.

The Fitzsimmons tribe had the ball in Columbus territory most of the second half, but lacked the punch to carry it over.

McCarthy as usual featured, while McManus, Gilbert and Dunn also played a good game for Columbus. Capt. O'Malley, Roberts and Hock starred. Lineup:

A SENSIBLE CIGARETTE IS EASY TO "DIGEST"

No word can describe that mean feeling which often follows smoking a poorly-blended but otherwise good cigarette. Such a cigarette might be called "indigestible."

¶ On the other hand, Fatimas always give *comfort*. They "digest" easily, smoothly as only a delicately balanced Turkish blend cigarette can. ¶ And best of all, Fatimas leave a man feeling fine and fit—yes, even after a long-smoking day. ¶ That's why men call Fatimas "sensible".

To the Voters of Licking County:

I take the liberty to write you regarding my candidacy for Sheriff, and in this way solicit your consideration and support for this very important office at the election to be held on November 7th.

You probably remember that I was a candidate for this office two years ago, and was defeated by 114 votes. Although defeated by this small margin in the entire county, it is very gratifying to know that I did not suffer where the voters knew me best.

I have lived in Mouree township for 20 years and have been in business for 12 years and in this time have had innumerable business transactions with my neighbors.

It is also very gratifying to know that the citizens in the precinct where I have lived for the last 20 years gave me the magnificent support that I received.

In the face of rumors that were heralded broadcast throughout the county prior to the election of 1914 that it was very doubtful whether I would carry my home precinct, I desire to here present an analysis of the results of that election. This can be verified by the files of the newspapers of about November 10, 1914.

AUDITORIUM.

Saturday Night's Show.
"The Melting of Molly," with Miss Irene Franklin in the leading role, was the attraction at the Auditorium that delighted the smallest audience of the season, both matinee and evening.

Miss Franklin is known as one of America's greatest comedienne, her company was thoroughly advised and it had the personal endorsement of Manager George M. Fenberg of the Auditorium and a long telegram from Klaw & Waller guaranteed the attraction to be one of the best which they were booking. In addition to this scores upon scores of Newarkites have witnessed Miss Franklin in her specialties in Keith theatres. So there was no reason why Miss Franklin should not have been accorded a better house.

Two splendid attractions have appeared at the Auditorium the past week and played to audiences that scarcely made expenses. Newark has had a black eye theatrically for several years and Manager Fenberg has been working strenuously to get it back on the theatrical map. Klaw & Waller, wise Manager Fenberg, Saturday "It is due to your personal ability, and knowing that you are trying to set Newark back on the theatrical map, that we give you this attraction which goes from your city direct to Cincinnati for a week and then to Chicago for one month and then back to New York for an extended run."

If the standard attractions which are brought to this city are not better patronized it will mean that the Auditorium will again be placed upon the black list and we will have to depend upon Columbus for the more stellar attractions.

Miss Franklin delighted everyone with her quaint comedy and her singing of the various numbers. She has surrounded herself with an excellent company of players, each especially adapted for their part. The orchestra de luxe under the personal direction of Mr. Burton Green, husband of Irene Franklin, was a big feature. Each member was a soloist and the program which they rendered could not have been improved upon.

"The Melting of Molly" is a comedy full of delightful charm calculated to bring joy to the heart of the most hardened theatre-goer, vibrating with a depth of strength and multi-colored with humor, deftly woven together.

AUDITORIUM.

Eddie Dale and Jimmie Cooper, two of the best known comedians in the field of burlesque are at the head of "The Charming Widows," the big musical burlesque which will hold the boards at the Auditorium theatre today. Mr. Dale is a clever German comedian while Mr. Cooper is one of the best straight comedians in the business. Sam Levey who is sponsor for the show has surrounded this pair with an excellent company, including a big cast of principals and a chorus of twenty singing and dancing girls. The new show is handsomely mounted with gorgeous costumes, beautiful scenery, novel electrical effects and considerable special equipment. In addition to the singing and dancing numbers there will be a variety of zood vaudeville acts. Kyra and her six Hawaiian dancing maids, Cooper and Carlton, in a skit called "A

bunch of nonsense," Eddie Dale and Ada Luma, in songs, dances and jokes, and Shani, "The wandering musician." A big feature act will be Kyra and a corps de ballet in a series of classical dances including Greek, Hindu, Egyptian and East Indian. The dances are called "Blue Bird," "Egyptian Frieze Dance," "Hindu Corba Dance," and "Sacrifice to Buddha," the last being the big feature. This act will be elaborately staged with special scenery, new costumes and novel electrical effects. Seats are going rapidly and as usual, a capacity business is looked for.

"Fair and Warmer." Selwyn & Company have placed "Fair and Warmer," the Avery Hopwood farce which comes to the Auditorium theatre tomorrow afternoon and evening under their direction, on tour at the end of the farce's year-run at the Elting theatre in New York. It is response to an enormous demand for it from all parts of the country.

An additional reason for the great clamor for "Fair and Warmer" was that Avery Hopwood's "See a Day" and "Nobody's Widow" had been seen everywhere, and that Selwyn & Company had established their reputations for picking winners with "Within the Law," "Under Cover," etc. The combination was one to pin faith to.

kind of material he knows best how to handle, and puts it through all its paces.

Election returns will be read from the stage.

"The Light of Happiness." Viola Dana, the popular little Metro star, whose bewitching beauty and marvellous dramatic gifts have won her legions of admirers, will be seen on the screen at the Auditorium Wednesday in "The Light of Happiness," a five-part feature produced by the Columbia Pictures Corporation for the Metro program. The story was written especially for Miss Dana by John H. Collins, who also directed the screen production. This feature will be seen together with the third episode of "The Crimson Stain Mystery."

"The Common Law." The management of the Auditorium theatre takes special pride in the announcement that Clara Kimball Young will be shown on next Friday and Saturday in the widely advertised Selznick Picture production of Robert W. Chambers' famous novel "The Common Law." Few screen productions have attracted the advance attention that this picture has aroused, and from all reports it will prove the greatest of Miss Young's many successes. The story of the book has been faithfully adhered to, and under the masterly direction of Albert Capellani, it has been filmed as a six-part photoplay of unusual beauty and dramatic power.

This will be Miss Young's first appearance in Newark under her new company, in which she is part owner.

"Less Than Dust." Mary Pickford will soon be seen in this city at the Auditorium in "Less Than Dust," which is described as the most elaborate production in which she has ever appeared.

Julia Culp, December 12. There is no word but splendor for the voice of Miss Culp as her audience heard it. Once more she summoned all her richness and all her magnificence of tone. Once more her lower notes had their soberly glowing depths, her middle notes their luscious and opulent fullness; her high notes their radiant and expansive warmth. Once more, her half-voice was of a velvety texture, exquisitely sensuous in caress upon the ear. Her softest tones of the rose-scented and flinty notes of beautiful sound; her amplest notes of its richest resonance. There was shimmering surface or shadowed depths in her tones and always they transmitted her songs a crystal transmittance.

Again there is no other word but splendor for the voice of Miss Culp, the revealing, the transmitting quality of Miss Culp's song on Saturday. Each song rose before Miss Culp's hearers in full vitality of mood, image and suggestion, in clear individuality, in vital control of all that it would impart. As she progressed the listening ear, so she made a stimulation—Boston Evening Transcript, January 10, 1916.

Madame Culp will appear here Dec. 12, at the Auditorium theatre under the auspices of the Women's Music Club.

the dangerous pastime of speculation with Mr. Ed Winn and his ten. Both of these little incidents lead to very interesting episodes—the one to a big thrill and the other to a succession of delightfully amusing situations.

"The Revolt."

Can a stepmother turn a happy home? Now that you have seen pictured on the screen all the devastation that a mother-in-law can do in a happy home, come and see what a nagging stepmother can do in "The Revolt," the big Broadway success which was Helen Ware's great national success. Frances Nelson and Arthur Ashley are the happy couple. How the girl's reputation is really wrecked and later saved by a friend forms the basis of a strong and stirring society drama, not of the usual triangle variety, but one which from every angle, is different from the rest. It will be the attraction at the Alhambra theatre on Wednesday and Thursday, and is a Brady-Made World Picture.

equipmental present it is the purpose of the B. & O. to meet so far as possible the demands growing out of present business conditions. This is a temporary measure, and the company has shown the result of its policy in the fact that its stock has been full, and that its equipment is being sold at a minimum. The company is now in a position to purchase new equipment at a low price, and it is expected that the company will be able to meet the demands of the future.

A BIG MEETING SATURDAY NIGHT AT SUMMIT STA.

[Special to The Advocate]

Summit Station, Nov. 6.—The biggest, best and most enthusiastic political meeting ever held in this section of Licking county, was that of last Saturday night. The big hall was crowded and many could not get in. The issues of the campaign were ably discussed by Roderick Jones and B. F. McDonald of Newark. The Democrats of this section are enthusiastic and are united. Many Republicans approving of Wilson's peace policy and appreciating the fact that this country is enjoying the greatest prosperity in its history will vote for Wilson and the Democratic ticket tomorrow.

There is nothing immediately gained by the politicians who continue "dilly dallying" after election, but they have to keep their hands in.

Pay No Attention to 11th Hour Attack on Mr. Miller

Editor of the Advocate:

J. Henry Miller who is the Democratic candidate for state senator should be triumphantly elected. He is a Licking County product, a college graduate, a forcible speaker, a gentleman of clean habits, honorable to the last degree AND ALWAYS HAS BEEN. He is a square fighter and as his friends and opponents both know and admit, resorts to no tricks nor eleventh hour questionable methods. The eleventh hour letter that has been circulated by his opponent, the effect of which is to discredit J. Henry Miller as a man, is resented by his friends, and should be, by every voter in the district, regardless of politics, who stands for clean politics and a square deal.

A LICKING COUNTY FRIEND.

J. HENRY MILLER.

REPUDIATION OF POST CARD APPEAL AGAINST GOV. COX

(Special Telegram.)

Columbus, Nov. 6.—Further repudiation of the postcard appeal for votes against Gov. Cox by I. A. Gorrill, chairman of the publicity committee of the Ohio State Automobile Association, has come from various sources. Fred C. Caley, secretary, says the work was done without his knowledge or consent. Charles C. Jones, trustee of the association, said the card was a miserable campaign ruse. "We repudiate it entirely," he said. John R. Bentley of Cleveland, Republican member of the board of trustees says: "I am a Republican, but I can't too strongly repudiate this action. It is absolutely unauthorized. We haven't been called to a meeting for three months. Mr. Gorrill who signed the card is not an official of the association. I never heard of him before." John L. Young, chairman of the Good Roads committee, said: "I say it is absolutely rotten, but I can't believe the association has come to any such thing."

The League to Enforce Peace would be a mighty fine idea, only it seems to require fighting all the time.

FIRST BAPTIST CHURCH IS NEW NAME ADOPTED

By action taken by the membership of the Fifth Street Baptist church yesterday, this church in the future will be known as the First Baptist church of Newark. A resolution providing for the change of name was adopted by a vote of 416 to 3.

The church has been known as the Fifth Street Baptist church since January, 1875, when the basement of the present church edifice was completed. The first organization took place April 13, 1832, but the body was not incorporated until 1851. At that time the church had a membership of 107.

Among the stronger pastors of the early days were Rev. David E. Thomas, who served from 1836 to 1842, and it was under his pastorate that the first church building was erected. It was located in South Fifth street. Dr. D. E. Owen was pastor from 1869 to 1882, the church membership being increased from 75 to 250. It was during Dr. Owen's pastorate that the present church was built. Dr. J. L. Cherry served from 1883 to 1888, the membership passing the 300 mark during his incumbency.

In view of the fact that the church is now arranging to erect a new and modern edifice on the present site, and that the building will have equal frontage on Fifth and Granville streets, it was deemed wise by the members to adopt the new name with the larger meaning as befitting its strength and history.

JAMES J. HILL TO THE VOTERS OF LICKING CO.

To Licking County Voters:

It has been impossible for me to talk with every voter in this county before election day, a fact that I regret. I should have been glad to meet every man and discuss with him the issues of this campaign. However, I will trust the good judgment of the voters and will say that if I am elected Representative tomorrow, I shall to the best of my ability faithfully discharge the duties of the office.

I have always felt that the people of our county are taxed too much. There are too many boards. Many of those places should be abolished, thus making a saving of many thousands of dollars to the taxpayers. If elected, I will try to do something for the taxpayers of my county and state. You are aware that nothing has been done to relieve the taxpayers.

Thanking you for consideration of my candidacy, I am,

Yours truly,

JAMES J. HILL.

ENGINEER

ON OCEAN STEAMER MEMBER OF CREW. DRIVEN FROM VESSEL BY U-BOAT.

Was Only American in Crew of 33 Set Adrift in Two Life Bouts.

(Associated Press Telegram)

New York, Nov. 6.—"I have been a marine engineer since 1881, but never have I gone through an ordeal like the one that a German submarine put us on a few weeks ago," declared Frederick Smith, of Hartford, Conn., who arrived here last night from Liverpool on the American line steamer, St. Louis.

Smith stated that he was induced to sign as third engineer on the British freight steamer Midland, by promise of good pay and assurances that the vessel was bound for China and would not enter the European war zone. When off St. Lucia he learned that the ship was bound for Vladivostok.

"After leaving the Siberian port we went to Australia, where he loaded grain for Havre," said Mr. Smith in telling his story. "At 6:30 p. m. on Oct. 20, we were halted by seven shots. None hit us, but we found they had come from a submarine which had come to the surface a few hundred yards away."

"We had a crew of 33, eight of us white men and the others Lascars. I was the only American on board. We were ordered to the life boats, eighteen men going in one and fifteen of us in another. We were ordered to approach the submarine and the German commander forced us to come aboard. He put some of his crew into our boats and they went out to the Midland and sank her. After four explosions we saw her dark hull roll over and go down."

"The Germans used only one English expression when they returned to the submarine after sinking the Midland. That was 'Get in.' We drifted throughout the night until, at daybreak, a French trawler picked us up and kept us aboard for two days. Later, it took us into St. Malo."

VILLA BURNS SECOND TIME WITHIN YEAR

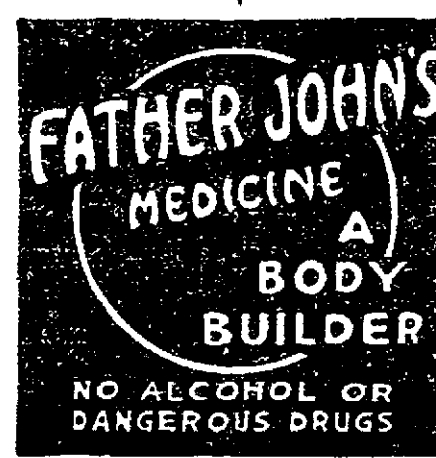

(Associated Press Telegram)

Wirt, Okla., Nov. 6.—For the second time in a year, fire last night virtually destroyed this little boom town in the Headright of field. Fifty buildings were destroyed with a loss of 125,000. More than 300 homeless persons were taken to Ardmore.
